Is something bugging you? Bestselling award-winner David Shannon shows the funny side of waging war against--oh no!--head lice. This book is guaranteed to make you laugh--and itch! From the opening picture of a happy, oversized louse appearing with his suitcases, you know these bugs are determined to stay, and Mom is about to go nuts! Nobody talks about them, but they are everywhere. (Some estimate 20 million children a year host them.) Oh the shame and humiliation of having bugs in your hair! But if you go to school, or have play dates, chances are good you might meet them someday. Maybe you already have! Lucky for you, the unwelcome bugs in this story are so funny you will be laughing aloud--even when Mom attacks them with battle-tested anti-lice weapons. Shannon peppers his hilarious scenes with fun, "nitpicking" facts about these "lousy" critters and pokes fun at common denial: "It's probably ash from that volcano in Pogo Pogo." Soon the party's over--Bye bye, Little Nasties! Once again Shannon has created a fresh, highly entertaining read-aloud classic that begs to be read again and again.

Private Gardens of the Hudson Valley surveys the majestic landscape that borders the Hudson River, an area rich in history and unique garden designs. The scenery, which encompasses riverfront meadows, craggy hills, and long open valleys, is inherently dramatic. Twenty-six private gardens are presented here, chosen to establish a sense of place and to convey the romance of the landscape. John Hall ' s photographs give a privileged view of the life within, while Jane Garmey ' s warm and engaging narrative traces the development of the gardens and the great pleasure their owners take in nurturing them. As Garmey notes in her introduction, each of these gardens has been made by the owner, and special attention given to the transition between the cultivated garden and the grandeur of the larger landscape beyond. The splendid setting of the Hudson Valley encompasses an almost infinite variety of design approaches from formal and traditional to naturalistic and an equal range of scale from multiple gardens within a vast estate to charmingly diminutive spaces between historic village houses. All have much to tell us about the complexity, challenges, and finally the unforgettable pleasure of making a garden.

From New York Times bestselling author Jon Katz comes a wise, uplifting, and poignant memoir of finding love against all odds, and the power of second chances for both people and dogs. " I had no idea that Frieda would enter my life and alter it in the most profound way, but that ' s one of the beautiful things about animals. They change you, and you almost never see it coming. " In 2007, a few years after purchasing Bedlam Farm in upstate New York, Jon Katz met Maria Wulf, a quiet, sensitive artist hoping to rekindle her creative spark. Jon, like her, was introspective yet restless, a writer struggling to find his purpose. He felt a connection with her immediately, but a formidable obstacle stood in the way: Maria ' s dog, Frieda. A rottweiler-shepherd mix who had been abandoned by her previous owner in the Adirondacks, where she lived in the wild for several years, Frieda was ferociously protective and barely tamed. She roared and charged at almost anyone who came near. But to Maria, Frieda was sweet and loyal, her beloved guard dog and devoted friend. And so Jon quickly realized that to win over Maria, he ' d have to gain Frieda ' s affection as well. While he and Maria grew closer, Jon was having a tougher time charming Frieda to his side. Even after many days spent on Bedlam Farm, Frieda still lunged at the other animals, ran off into the woods, and would not let Jon come near her, even to hook on her leash. Yet armed with a singular determination, unlimited patience, and five hundred dollars ' worth of beef jerky, Jon refused to give up on Frieda—or on his chance with Maria. Written with stunning emotional clarity and full of warm yet practical wisdom, The Second-Chance Dog is a testament to how animals can make us better people, and how it ' s never too late to find love. Praise for The Second-Chance Dog " No one speaks the language of a dog like best-selling author Jon Katz. His latest heartwarming memoir about finding love after struggling through a broken relationship . . . gives testament to how dogs can make us better human beings. " —The Free Lance—Star " [An] intimate story of falling in love with a woman and her extremely protective pet dog . . . Bittersweet in its telling, Katz reminds readers of the importance of human and animal connections. " —Kirkus Reviews " In this heartwarming story of love and redemption . . . dogs and humans alike get second chances at life, love, and growth. . . . This moving work is recommended for readers who want a true-life love story, for dog lovers seeking a book with a happy ending (the dog doesn ' t die!), for seniors who think that receiving a Medicare card means that love is out of the question, and for dog trainers who want to learn more about Katz ' s philosophy of dog training. " —Library Journal " The story [Katz] tells gives hope that no animal is beyond help, as long as enough love and patience are thrown in. " —Minneapolis Star Tribune
