Ignited is Book 6 of the Daywalkers series by Maya Daniels. This is the final book in the Daywalkers series and what an awesome ending to a fantastic series. You must read this book as Maya has pulled everything together in her usual excellent manner. I hope we will see Franky, Zoltan, and the other characters again in the future.

Ignited (Most Wanted Series #3) by J. Kenner, Paperback ...

I was hugely disappointed in the second installment of the Ignited series. The first book had promise, although the premise was dangerously close to many previously published YA books. But it was different enough that I was willing to look past the iffy writing to buy the second.
