Admiratio famaue Archiae, poetae haud parvi ingenii, in nonnullis Asiae regionibus cunctaque Graecia magnae erant. Erat Italia tunc plena Graecarum artium ac disciplinarum, studiaque tanta et in Latio tum colebantur, et hic Romae propter tranquillitatem urbis non negledebantur. Itaque Archian et Tarentini et Regini et Neapolitani civitate ceterisque praemiis donaverunt, quod eximii poetae est; et viri, qui de ingeniis iudicare valebant, cognitione atque hospitio dignum existimarunt.

Più che essere un'orazione in difesa del singolo poeta Archia, è una difesa dei poeti e della coltivazione della cultura in generale. Ricca di spunti di riflessione interessanti, Cicerone ci facilita la comprensione delle sue teorie fornendo molteplici spiegazioni ed esempi pratici, con il suo solito stile ampio e ipotattico.

This volume is intended as a companion to the study of Cicero's oratory and rhetoric, for both students and experts in the field. A group of impressive Ciceronian scholars have contributed articles that analyze in new and interesting ways the oratorical and rhetorical works of Cicero.

Includes Part 1, Number 2: Books and Pamphlets, Including Serials and Contributions to Periodicals July - December)

Regine May discusses the use of drama as an intertext in the work of the 2nd century Latin author

Apuleius, who wrote the only complete extant Latin novel, the *Metamorphoses*, in which a young man is turned into a donkey by magic. Apuleius uses drama, especially comedy, as a basic underlying texture, and invites his readers to use their knowledge of contemporary drama in interpreting the fate of his protagonist and the often comic or tragic situations in which he finds himself. May employs a close study of the Latin text and detailed comparison with the corpus of dramatic texts from antiquity, as well as discussion of stock features of ancient drama, especially of comedy, in order to explain some features of the novel which have so far baffled Apuleian scholarship, including the enigmatic ending. All Latin and Greek has been translated into English.
