Improvisational theatre, often called improvisation or improv, is the form of theatre, often comedy, in which most or all of what is performed is unplanned or unscripted: created spontaneously by the performers. In its purest form, the dialogue, action, story, and characters are created collaboratively by the players as the improvisation unfolds in present time, without use of an already prepared, written script. Improvisational theatre exists in performance as a range of styles of improvisation

Keith Johnstone's involvement with the theatre began when George Devine and Tony Richardson, artistic directors of the Royal Court Theatre, commissioned a play from him. This was in 1956. A few years later he was himself Associate Artistic Director, working as a play-reader and director, in particular helping to run the Writers' Group. The improvisatory techniques and exercises evolved there to foster spontaneity and narrative skills were developed further in the actors' studio then in demonstrations to schools and colleges and ultimately in the founding of a

This collection of Applied Improvisation stories and strategies draws back the curtain on an exciting, innovative, growing field of practice and research that is changing the way people lead, create, and collaborate. Applied Improvisation is the umbrella term widely used to denote the application of improvised theatre's theories, tenets, games, techniques, and exercises beyond conventional theatre spaces, to foster the growth and/or development of flexible structures, new mindsets, and a range of inter and intra-personal skills required in today's volatile and uncertain world. This edited collection offers one of the first surveys of the range of practice, featuring 12 in-depth case studies by leading Applied Improvisation practitioners and a foreword by Phelim McDermott and Lee Simpson. The contributors in this anthology are professional Applied Improvisation facilitators working in sectors as diverse as business, social science, theatre, education, law, and government. All have experienced the power of improvisation, have a driving need to share those experiences, and are united in the belief that improvisation can positively transform just about all human activity. Each contributor describes their practice, integrates feedback from clients, and includes a workbook component outlining some of the exercises used in their case study to give facilitators and students a model for their own application. This book will serve as a valuable resource for both experienced and new Applied Improvisation facilitators seeking to develop leaders and to build resilient communities, innovative teams, and vibrant organizations. For theatre practitioners, educators, and students, it opens
