*Philosophy, Pussycats, & Porn* is a series of essays, blog posts, and stories surveying more than a decade of poignant journalistic accounts from internationally recognized writer, actor, and pornographer Stoya. Stoya provides crucial examinations of systemic biases toward sex workers and how sexuality is reflected in society. Stoya often points her journalistic lens inward, providing us with personal, illustriously detailed stories of her life, her collaborators, and how she has built a flourishing media haven in the face of a culture that is still learning how to handle public discourses on sex work

How does a girl go from being a shy, awkward bookworm to the biggest porn star in the world? In *Sinner Takes All*, Tera Patrick reveals all, including: her career as an international model; losing her virginity at fourteen to a thirtysomething photographer; learning oral sex techniques backstage at a Guns N' Roses concert; having an orgy with a team of firefighters; her unglamorous job in a nursing home; her first forays into the adult movie business; and how, with her husband's help, she launched her own multimillion-dollar empire. Along the way, she dishes on the emotional side of being Tera Patrick, writing candidly about her battles with depression and anxiety. She also discusses finding true love and building a healthy marriage, achievements that many consider to be impossible in the world of porn. Featuring hundreds of photos, plus diary pages and scintillating sidebars, *Sinner Takes All* takes the tell-all to raunchy new heights.

An explicit look into the world of porn, from a woman who was a superstar in the industry. Small, aka Ashley Blue, weaves through the intricacies of a decade in and out of the adult film industry, love, drugs, and her own firebrand of what it means to live ecstatically.

A "hot, hilarious, and engrossing" porn star memoir. "Akira is the Galileo of women's sexuality" (Alissa Nutting, author of *Unclean Jobs for Women and Girls*). After earning a good living by stripping and working as a dominatrix at a sex dungeon, Asa Akira built up a reputation for being one of the most popular, hardworking, and extreme actors in the porn business, winning dozens of awards for her 330+ movies, including her #1 bestselling series "Asa Akira Is Insatiable." In *Insatiable*, Akira recounts her extraordinary life in chapters that are hilarious, shocking, and touching. In a wry, conversational tone, she talks about her experiences shoplifting and doing drugs while in school, her relationship with other porn stars (she is married to one) and with the industry at large, and her beliefs about women and sexuality. *Insatiable* is filled with Akira's unusual and often highly amusing anecdotes, including her visit to a New Hampshire sex shop run by a mother and son. One of very few articulate voices writing from the inside, Akira has something important, controversial, and astonishingly interesting to say about sex and its central role in our lives and culture. "Akira is not only passionate about the porn industry, she is shameless, funny and even endearing." —Susannah Cahalan, *New York Post*, Best Books of the Year "Each chapter is filled with brutal honesty and self-deprecating humor. It's touching, inspiring, and flies in the face of a lot of people's preconceptions about the life of an adult film star." —Vice "Her book is a lot like her porn: raw, brutal and always unflinching." —Salon.com
