Karl Lagerfeld's world-famous cat dispenses essential advice on lifestyle, diet, fashion, beauty, and international travel for the uber-fashionable feline. Chouette—the constant feline companion of designer Karl Lagerfeld, creative director at Chanel—is a celebrity pet like no other. She has it all, from her own iPad to private jet service. She eats from Goyard silver seated next to Karl at the table, has been immortalized in Tokidoki figurines with the Kaiser, and has inspired his couture collections. "I never thought that I would fall in love like this with a cat," Mr. Lagerfeld said in a CNN interview. Chouette delivers words of wisdom to her 37,000+ Twitter devotees, but here, for the first time, she shares her complete lifestyle guide. Humorously themed chapters cover diet, beauty, healthcare, fashion tips, secret loves and pet hates for the pampered cat, along with observations and advice from Madame Horn (her vet), and Madame Françoise (her lady's maid). Photographs taken by Karl himself include his Sacred Cat of Burma on fashion shoots with Laetitia Casta and Linda Evangelista. The book is completed with drawings, poetry, and photographs of literary cat-lovers including Ernest Hemingway, Truman Capote, Saul Steinberg, Dorothy Parker, and Edward Gorey. This season's most talked-about cat book is the perfect chic gift for cat lovers, the fashion-conscious, and style-aware readers.

What would you change if you could travel back in time? Down a small alleyway in the heart of Tokyo, there's an underground café that's been serving carefully brewed coffee for over a hundred years. Local legend says that this shop offers its customers something else besides coffee—the chance to travel back in time. The rules, however, are far from simple: you must sit in one particular seat, and you can't venture outside the café, nor can you change the present. And, most important, you only have the time it takes to drink a hot cup of coffee—or risk getting stuck forever. Over the course of one summer, four customers visit the café in the hopes of traveling to another time: a heartbroken lover looking for closure, a nurse with a mysterious letter from her husband, a waitress hoping to say one last goodbye and a mother whose child she may never get the chance to know. Heartwarming, wistful and delightfully quirky, Before the Coffee Gets Cold explores the intersecting lives of four women who come together in one extraordinary café, where the service may not be quick, but the opportunities are endless.
