Lunchtime JAZZ. Since the launch of Lunchtime Jazz at the Farnham Maltings in March 2013, it has grown steadily to become an established feature of the venue. June 2017 saw its re-launch under its new title Lunchtime PIANO BAR Jazz, in a new 'cabaret' style setting, where tables and chairs are arranged around the piano to create a more informal and intimate mood for both audience and musicians.

How do I get started learning jazz piano as an adult?

Glen, I'm really impressed with my progress. Your blues videos helped so much. Yes, at first I was as a little intimidated with the jazz licks listen but I'm starting to catch up. Like you say in the video take my time and practice one thing slowly at a time. I'll be ready to dive into my first solo gig soon.

A memoir by the celebrated singer-songwriter and social activist Ani DiFranco In her memoir, No Walls and the Recurring Dream, Ani DiFranco recounts her early life from a place of hard-won wisdom, combining personal expression, the power of music, feminism, political activism, storytelling, philanthropy, entrepreneurship, and much more into an inspiring whole. In these frank, honest, passionate, and often funny pages is the tale of one woman's eventful and radical journey to the age of thirty. Ani's coming of age story is defined by her ethos of fierce independence--from being an emancipated minor sleeping in a Buffalo bus station, to unwaveringly building a career through appearances at small clubs and festivals, to releasing her first album at the age of 18, to consciously rejecting the mainstream recording industry and creating her own label, Righteous Babe Records. In these pages, as in life, she never hesitates to question established rules and expectations, maintaining a level of artistic integrity that has inspired and challenged more than a few. Ani continues to be a major touring and recording artist as well as a celebrated activist and feminist, standing as living proof that you can overcome all personal and societal obstacles to be who you are and to follow your dreams.

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

CMJ New Music Monthly, the first consumer magazine to include a bound-in CD sampler, is the leading publication for the emerging music enthusiast. NMM is a monthly magazine with interviews, reviews, and special features. Each magazine comes with a CD of 15-24 songs by well-established bands, unsigned bands and everything in between. It is published by CMJ Network, Inc.

The Suburbs is an incredibly sentimental and nostalgic album, which generally moved critics but was jarring to others. But it also made a heavy impact on fans and - to the surprise of many - won Album of the Year at the 2011 Grammy Awards. This immensely visceral album triggers a sincere celebration of not formative years spent in a cookie-cutter development, but of feeling self-important, immortal, and desperate to escape. It examines youth and amplifies an innate sense of longing and remembrance. Eric Eidelstein's The Suburbs explores this weird, utopic recollection of youth by comparing the album to suburban scenes in film and television, such as Blue Velvet, Mad Men, The Americans, and Spike Jonze's Scenes from the Suburbs. Through the close examination of film and televised depictions of the suburbs, both past and present, Eidelstein delves into the societal factors and artistic depictions that make the suburbs such a fascinating cultural construct, and uncovers why the album creates such a relatable and universal sense of reminiscence.

Presents advice for building a sustainable career in the music business, covering such topics as booking a performance, touring with a band, recording in the studio, promotion, and brand marketing.

CMJ New Music Report is the primary source for exclusive charts of non-commercial and college radio airplay and independent and trend-forward retail sales. CMJ's trade publication, compiles playlists for college and non-commercial stations; often a prelude to larger success.
