Ominous, yet clear-eyed and prophetic, Hudson provides viable solutions to our economic problems, at a time when politicians have shown themselves unable to understand our economy much less fix it.

Killing the Host: How Financial Parasites and Debt Bondage ... KILLING THE HOST exposes how finance, insurance, and real estate (the FIRE sector) have gained control of the global economy at the expense of industrial capitalism and governments. The FIRE sector is responsible for today 's economic polarization (the 1% vs. the 99%) via favored tax status that inflates real estate prices while deflating the "real" economy of labor and production.

KILLING THE HOST: Amazon.co.uk: Hudson, Michael ... KILLING THE HOST exposes how finance, insurance, and real estate (the FIRE sector) have gained control of the global economy at the expense of industrial capitalism and governments. The FIRE sector is responsible for today 's economic polarization (the 1% vs. the 99%) via favored tax status that inflates real estate prices while deflating the "real" economy of labor and production.

Killing the Host - the book | Michael Hudson In his new book, "Killing the Host," Hudson hones an exquisitely gripping journey from Wall Street 's original role as capital allocator to its present-day parasitism that has replaced U.S. capitalism as an entrenched, politically-enforced economic model across America.

Book review: Killing the Host | Michael Hudson Killing the Host: How Financial Parasites and Debt Bondage Destroy the Global Economy. Professor Hudson continues the discussion on the financialization of capital and its global effects. KILLING THE HOST exposes how finance, insurance, and real estate (the FIRE sector) have gained control of the global economy at the expense of industrial capitalism and governments.

'Killing the Host': the financial system is destroying the ... KILLING THE HOST exposes how finance, insurance, and real estate (the FIRE sector) have gained control of the global economy at the expense of industrial capitalism and governments. The FIRE sector is responsible for today 's economic polarization (the 1% vs. the 99%) via favored tax status that inflates real estate prices while deflating the "real" economy of labor and production.

Killing the Host: How Financial Parasites and Debt Bondage ... Michael Hudson 's "Killing the Host" is a remarkable piece of work by someone with breadth of knowledge (with the details to back in up) and bold propositions. Though the sheer volume of concrete details from the 2008/Eurozone crisis brought forth all at once in parts II and III clog the stream of ideas from time to time (really, my only criticism) the salient points are never lost.

Killing the Host: How Financial Parasites and Debt Bondage ... KILLING THE HOST exposes how finance, insurance, and real estate (the FIRE sector) have gained control of the global economy at the expense of industrial capitalism and governments. The FIRE sector is responsible for today's economic polarization (the 1% vs. the 99%) via favored tax status that inflates real estate prices while deflating the "real" economy of labor and production.
