An eminent Polish physician reflects on his lifetime practice of medicine. Szczeklik (Catharsis: On the Art of Medicine, 2005) weighs in on the ongoing debate about the compatibility of religion and science, supporting the view of leading geneticist Francis Collins and rejecting the stance of Richard Dawkins, who embraces atheism.Szczeklik writes that "while evolution can tell us a lot about ...

KORE by Andrzej Szczeklik | Kirkus Reviews

Praise for Kore "An eminent Polish physician reflects on his lifetime practice of medicine. Szczeklik weighs in on the ongoing debate about the compatibility of religion and science, supporting the view of leading geneticist Francis Collins and rejecting the stance of Richard Dawkins, who embraces atheism.

Kore

There is a grand tradition of physicians who are also great writers and philosophers. From Copernicus and Paracelsus, to Chekov, Osler and Frankl. And most recently Sherwin Nuland and Oliver Sacks have gained broad readerships and made huge contributions to the way we think and the way we live our lives. Andrzej Szczeklik is entirely worthy to join their company.
