statements, and learn Python's general syntax model Use functions to avoid code redundancy and package code for reuse Organize statements, functions, and other tools into larger components with modules Dive into classes: Python's object-oriented programming tool for structuring code Write large programs with Python's exception-handling model and development tools Learn advanced Python tools, including decorators, descriptors, metaclasses, and Unicode processing

Written by the world-renowned Zed Shaw, this book of 52 hands-on projects is

Get Free Learn Python The Hard Way Ebook Zed Shaw

perfect for everyone who's written Python code but isn't yet comfortable taking new ideas all the way to finished software. The perfect follow-up to Shaw's best-selling "Learn Python the Hard Way," this all-new, step-by-step book teaches you how to:

- Approach new problems in ways that lead to better solutions
- Analyze a concept, idea, or problem to implement in code
- Design a solution based on your analysis
- Implement your solution in the simplest way possible
- Systematically improve your programming skills through real projects

Each project in Learn More Python the Hard Way helps

Get Free Learn Python The Hard Way Ebook Zed Shaw

you build a key practical skill -- combining demonstrations to get you started, and challenges to help you achieve even deeper understanding. Shaw organizes this practical programming course into five sections: working with commands, organizing and using data, applying algorithms, processing text, and implementing simple internet-style networking protocols. Along the way, Shaw stresses efficient processes and practical hacking mindsets -- helping you gain true mastery, not just follow recipes!

The second edition of this best-selling Python book (over 500,000 copies sold!) uses Python 3 to teach even the technically uninclined how to write programs that do in minutes what would take hours to do by hand. There is no prior programming experience required and the book is loved by liberal arts majors and geeks alike. If you've

Get Free Learn Python The Hard Way Ebook Zed Shaw

ever spent hours renaming files or updating hundreds of spreadsheet cells, you know how tedious tasks like these can be. But what if you could have your computer do them for you? In this fully revised second edition of the best-selling classic Automate the Boring Stuff with Python, you'll learn how to use Python to write programs that do in minutes what would take you hours to do by hand--no prior programming experience required. You'll learn the basics of Python and explore Python's rich library of modules for performing specific tasks, like scraping data off websites,

Get Free Learn Python The Hard Way Ebook Zed Shaw

reading PDF and Word documents, and automating clicking and typing tasks. The second edition of this international fan favorite includes a brand-new chapter on input validation, as well as tutorials on automating Gmail and Google Sheets, plus tips on automatically updating CSV files. You'll learn how to create programs that effortlessly perform useful feats of automation to:

- Search for text in a file or across multiple files
- Create, update, move, and rename files and folders
- Search the Web and download online content
- Update and format data in Excel spreadsheets of any
