Taking your pension. Your LGPS pension is payable in full from your Normal Pension Age which is linked to your State Pension Age (but with a minimum of age 65). However, you can choose to retire and take your pension from the LGPS at any time from age 55 to 75, provided you have met the 2 years vesting period in the scheme. If you choose to take your pension before your Normal Pension Age it will normally be reduced, as it's being paid earlier.
