MODELING MAKING
CONNECTIONS.

Although many students find making connections an easier strategy to master than some others, it does not always come naturally to all students, especially those with limited experiences.

Therefore, you will need

Online Library Making

to spend time modeling the use of each type of connection through read aloud texts and written responses.

Making Connections[®]
is a direct, systematic,
and highly interactive
comprehension program

Online Library Making

that teaches students strategies to build their comprehension. The program employs a scaffolded instructional plan that supports students by modeling, guiding, and then coaching students to independence. Fiction and nonfiction texts are tied to content-area topics to prepare students to analyze and

Online Library Making

interpret diverse
materials across content-
areas.

Making Connections
teaches an extensive
range of reading skills
and strategies in order to
prepare students for
college reading. The
current series takes
students from a low-
intermediate to a low-
advanced level of
academic reading skill

Online Library Making

proficiency. In December 2015 two new levels - high beginning and advanced - will be added to the series. The series contains a strong focus on vocabulary-building, including teaching words from the Academic Word List. It emphasizes critical thinking and increased reading speed. The series has a unique unit

Online Library

Making

structure. At the outset of each unit, students are presented with and practice key reading and vocabulary-building skills. As students read the texts following these sections, they apply these skills by completing exercises in boxes in the margins of the readings, so that students literally have to apply the newly-learned skills 'while

Online Library Making

reading.'
Connections

Level 4

Provides multiple thematic reading selections for each comprehension skill, allowing students to build content knowledge while giving teachers the framework for scaffolded instruction. The multiple selection format allows teachers to withdraw support gradually from

Online Library Making

selection to selection, as students gain confidence in using comprehension strategies flexibly and independently.

The series helps students gain insight into how academic text is organized and how to read effectively. The Teacher's Manual contains teaching suggestions and an

Online Library

Making

answer key for the
Student's Book.
