the overall effectiveness as good. This was

an improvement over the last inspection in 2009, rated as satisfactory (now called 'requires improvement'). Some 28 per cent of Army recruits were less than 18 years of age. that some recruits may not be eager to take further academic exams, the MoD should encourage more recruits to undertake English and Maths GCSEs which would stand them in good stead for future employment. The MoD has carried out some useful pilot projects with paramedic training and should identify more potential

projects to ensure that vital skills paid for by the MoD are not lost to the country
