Rule #3: Don't stare at invisible faeries. Aislinn has always seen faeries. Powerful and dangerous, they walk hidden in mortal world. Aislinn fears their

cruelty—especially if they learn of her Sight—and wishes she were as blind to their presence as other teens. Rule #2: Don't

speak to invisible faeries. Now faeries are stalking her. One of them, Keenan, who is equal parts terrifying and alluring, is trying to talk to her, asking questions Aislinn is afraid to answer. Rule #1: Don't ever attract their attention. But it's too late.

Keenan is the Summer King who has sought his queen for nine centuries.

Without her, summer itself will perish. He is determined that Aislinn will become the

Summer Queen at any cost—regardless of her plans or desires. Suddenly none of the rules that have kept Aislinn safe are working anymore, and everything is on the line: her freedom; her best friend, Seth; her life; everything. Faerie intrigue, mortal love, and the clash of ancient rules and modern expectations swirl together in Melissa Marr's stunning 21st century faery tale.

In the third mesmerizing tale in Melissa Marr's #1 New York Times bestselling Wicked Lovely series, old friends become new enemies—and one wrong move could plunge the Earth into chaos. Seth never expected he would want to settle down with anyone, but that was before Aislinn. She is everything he'd ever dreamed of, and he wants to be with her forever. Forever takes on new meaning, though, when your girlfriend is an immortal faery

queen. Aislinn never expected to rule the very creatures who'd always terrified her, but that was before Keenan. He stole her mortality to make her a monarch, and now she faces challenges and enticements beyond any she'd ever imagined. Seth and Aislinn struggle to stay true to themselves and each other—all while navigating the shadowy rules and shifting allegiances of the Faery Courts.

“Unique and gripping.” Tamora Pierce
New York Times bestselling author
Melissa Marr invites readers into a magical world where stone gargoyles live among humans, ferocious water horses infiltrate the sea, and school hallways are riddled with magic wards--and where a group of young heroes seeking justice discovers those very creatures are the best of allies. Netherwhere, allowing all kinds of otherworldly creatures entry. Some, like the kelpies and fairies, who like to bite, are best avoided. But the gargoyles are wise and wonderful, and show a special affection for humans. Vicky has grown up under the watchful eye of a gargoyle named Rupert, and excels at sword-fighting and magic. But there's so much she doesn't know--like why her mother, once one of the queen's elite Ravens, keeps Vicky hidden away and won't let Vicky train at the elite Corvus school where girls with her gifts perfect their skills. But when a horrific tragedy occurs, Vicky knows it's finally time to use her gifts, and that the only place she should be to avenge the crime against her family is at Corvus. There she bands together with a former street thief and an alchemy student to figure out whom they can trust in a place that's rife with intrigue and secrets.

And all the while, the gargoyles watch and nudge. Time's not linear to them, so they know change comes in ripples. With their steadying influence, Vicky and her friends just might be the generation to expose the court's secrets and ensure a better future for both worlds.

Hunger for nourishment. Hunger for touch. Hunger to belong. Half-human and half-faery, Ani is driven by her hungers. Those same appetites also attract powerful enemies and uncertain allies, including Devlin. He was created as an assassin and is brother to the faeries' coolly logical High Queen and to her chaotic twin, the embodiment of War. Devlin wants to keep Ani safe from his sisters, knowing that if he fails, he will be the instrument of Ani's death. Ani isn't one to be guarded while others fight battles for her, though. She has the courage to protect herself and the

ability to alter Devlin's plans—and his life. The two are drawn together, each with reason to fear the other and to fear for one another. But as they grow closer, a larger threat imperils the whole of Faerie. Will saving the faery realm mean losing each other? Alluring romance, heart-stopping danger, and sinister intrigue combine in the penultimate volume of Melissa Marr's New York Times bestselling Wicked Lovely series.

The Summer King is missing; the Dark Court is bleeding; and a stranger walks the streets of Huntsdale, his presence signifying the deaths of powerful fey. Aislinn tends to the Summer Court, searching for her absent king and yearning for Seth. Torn between his new queen and his old love, Keenan works from afar to strengthen his court against the coming war. Donia longs for fiery passion even as

she coolly readies the Winter Court for battle. And Seth, sworn brother of the Dark King and heir to the High Queen, is about to make a mistake that could cost his life. Love, despair, and betrayal ignite the Faery Courts, and in the final conflict, some will win . . . and some will lose everything. The thrilling conclusion to Melissa Marr's New York Times bestselling *Wicked Lovely* series will leave readers breathless.

In near-future New Orleans, draugar, again-walkers, are faster and stronger than most humans, but not venomous until they are a century old. Until then, they shamble and bite. Since not everyone wants to see their relatives end up that way, Geneviève Crowe makes her living beheading the dead. But now, her magic's gone sideways, and the only person strong enough to help her is the one man who

could tempt her to think about picket fences: Eli Stonecroft, a faery who chose to be a bar-owner in New Orleans rather than live in Elphame. Then human businessmen start turning up as draugar. Suddenly, the queen of the again-walkers and the wealthy son of one of the victims, both hire Geneviève to figure it out. She works to keep her magic in check, the dead from crawling out of their graves, and enough money for a future that might be a lot longer than she'd like. Neither her heart nor her life are safe now that she's juggling a faery, murder, and magic. "I loved *The Wicked and The Dead*! A sassy, ass-kicking heroine, a deliciously mysterious fae hero, and a wonderful mix of action and romance. Add that to Melissa's usual great world-building, and I'm already looking forward to book 2!" — Jeaniene Frost, NYT Bestselling Author

The second installment in Melissa Marr's #1 New York Times bestselling Wicked Lovely series brings readers back to the land of faerie and delivers another stunning, high-stakes romance.

Unbeknownst to mortals, a power struggle is unfolding in a world of shadows and danger. After centuries of stability, the balance among the Faery Courts has altered, and Irial, ruler of the Dark Court, is battling to hold his rebellious and newly vulnerable fey together. If he fails, bloodshed and brutality will follow.

Seventeen-year-old Leslie knows nothing of faeries or their intrigues. When she is attracted to an eerily beautiful tattoo of eyes and wings, all she knows is that she has to have it, convinced it is a tangible symbol of changes she desperately craves for her own life. The tattoo does bring changes—not the kind Leslie has dreamed of, but sinister, compelling changes that

are more than symbolic. Those changes will bind Leslie and Irial together, drawing Leslie deeper and deeper into the faery world, unable to resist its allures, and helpless to withstand its perils...

A mother makes her baby feel safe by sharing how all kinds of mama animals care for their little ones.

Melissa Marr returns to faery in a dramatic story of the precarious space between two worlds—and the people who must thrive there. The combination of ethereal fae powers, tumultuous romance, and a bloodthirsty faery queen will have longtime fans and new readers alike at the edge of their seats. Lilywhite Abernathy is a criminal—she's half human, half fae, and since the time before she was born her very blood has been illegal. A war has been raging between humans and faeries,

and the Queen of Blood and Rage, ruler of the fae courts, wants to avenge the tragic death of her heir due to the actions of reckless humans. Lily's father has always shielded her from the truth, but when she's sent to the prestigious St. Columba's school, she's delivered straight into the arms of a fae Sleeper cell—the Black Diamonds. The Diamonds are planted in the human world as the sons and daughters of the most influential families, and tasked with destroying it from within. Against her will, Lilywhite's been chosen to join them . . . and even the romantic attention of the fae rock singer Creed Morrison isn't enough to keep Lily from wanting to run back to the familiar world she knows.

Eva Tilling wakes up in the hospital to discover she possesses a strange new skill—the ability to foresee people's deaths when they touch her. While she is

recovering from her hit-and-run accident, Nate, an old flame, reappears, and the two must traverse their rocky past as they figure out how to use Eva's power to keep their friends—and each other—from falling into the hands of a killer. This contemporary romantic suspense novel from five-time New York Times bestselling author Melissa Marr earned widespread critical acclaim, with Kirkus Reviews calling it a "riveting whodunit that delivers a bouquet of teen romance, paranormal, and thriller." And BCCB declared, "Between the suspense, the horror, the romance, and the wit, this will have equal appeal for fans of Sarah Dessen and Rosemary Clement-Moore." A stark departure from her fantasy settings, this Southern Gothic, racy thriller gives fans old and new chilling twists, unrequited obsession, and high-stakes romance.
