To start the reset and keep it going, there are three steps: the mental reset, the diet reset, and the physical reset. By themselves, none has the power to push a menopausal woman's reset button. But if you use all three at the same time (as you will with Menopause Reset!), you'll press the reset button--and keep it pressed for a lifetime of great results.

and keep yourself forever young You don't have to suffer through these years. Join Dr. Mindy as she outlines her transformational Menopausal Reset program, which has helped thousands of women get their lives back. Hope is here!

Menopause Reset! is the revolutionary, scientifically-proven program that helps women control the physiological effects of perimenopause and menopause with mind, diet, and exercise solutions that keep blood sugar levels stable and bodies in the fat-burning zone all day long. In the past, controversial hormonal replacement therapy was the only method by which women could positively affect menopausal symptoms. But Menopause Reset! changes all of that. The program specifically regulates blood glucose with food, exercise, and highly effective stress reduction techniques, allowing women to stop and reverse menopausal weight and fat gain. Based on the successful treatment of tens of thousands of women whose life-changing results are included in the book, Dr. Harpaz has put together an easy, 3-step solution that targets the triggers of menopause and its symptoms. Menopause Reset! teaches women all about their metabolic mechanisms: what they are, how they work, and, most importantly, how to manipulate them to achieve sustainable weight loss and get their bodies back!

Do you want to lose weight? Have mood swings? Experience any puffiness or joint pain? Do you feel lethargic or fatigued? Is your gut acting up? Have you tried fad diets, gone to doctors, popped pills without seeing results? It's not your fault! It's because the vast majority of these conditions are being treated inappropriately or misdiagnosed by the standard health care model. Through exhaustive research and clinical experience, Dr. Mindy has discovered what is really behind these common conditions and how to eliminate them once and for all through the Reset Factor - Dr. Mindy's scientifically based whole body system to restore you to perfect health, from the inside out.

The Harvard-educated physician and New York Times bestselling author of *The Hormone Cure* shows you how to grow new receptors for your seven metabolic hormones, making you lose weight and feel great fast! When it comes to weight loss, most people don't think about hormones. But when you develop resistance to your seven major metabolic hormones—cortisol, thyroid, testosterone, growth hormone, leptin, insulin, and estrogen—your body adjusts by increasingly raising your hormone levels and ultimately slowing down your metabolism. And a slower metabolism leads to weight gain and difficulty losing weight. The solution, Dr. Sara Gottfried contends, is to reset the efficiency of your hormones by repairing and growing new hormone receptors.

Based on leading scientific research, The Hormone Reset Diet is her proven weight loss and energy program to reverse hormone resistance in just three weeks. It will help you: Boost your metabolism and calorie burning by growing new and fresh thyroid receptors; Increase your weight loss by re-balancing estrogen and progesterone receptors; Reverse your aging by resetting glucocorticoid receptors (for better processing cortisol). For the last twenty years, this Harvard-MIT educated physician has helped thousands of women address the root hormonal causes of what bothers them most: excess weight, lack of energy, aging, and illness. Going beyond her bestselling The Hormone Cure, this program is the next generation of her deep understanding of hormonal optimization for rapid weight loss.

Outlines a method to improve physical and mental health by optimizing hormones, sharing guidelines in functional and integrative therapies to explain how to reverse hormone-related health decline without prescription medicines.

Diets don't work! Every day there's a new fad screaming at you to eat this and not that! Get ready to throw out all of the rules and restrictions. I lost weight without counting calories and now I'm teaching you! With a Biblically-based plan backed by groundbreaking research, I'll teach you to

if menopause didn’t have to be a struggle?
Your body is always changing—necessarily and
beautifully—throughout life. During
menopause, however, declining ovarian
function and fluctuating hormones often clash
with environmental toxins, stress, and
digestive distress, leading to the symptoms
we have been told we should expect: hot
flashes, weight gain, brain fog, low libido,
and irritability. But as women’s hormonal
health expert and bestselling author Dr.
Mariza Snyder explains, you can and deserve
to experience a good night’s sleep, clear
thinking, stable moods, an energized
metabolism, and pain-free sex. The solution
is not to medicate the changes, but instead
get to the root cause of what’s really going
on in the body. In The Essential Oils
Menopause Solution, Dr. Mariza offers a

and well-respected colleagues have written The Menopause Diet Plan to help you feel healthier, happier, and more confident during this change in your life.”—Maye Musk, MS, RDN, and author of *A Woman Makes a Plan*

Menopause is uncharted territory for women, and it can be difficult to know how to ease the effects of hormonal changes that can often start in your 40s. With honesty and optimism, The Menopause Diet Plan encourages a positive, fad-free approach to managing your physical and emotional health during perimenopause and menopause. It highlights current scientific knowledge about the best diet and lifestyle choices to manage your weight; keep your heart, brain, and bones healthy; and decrease the risk for cancer and other chronic conditions. It also offers natural strategies to help diminish hot flashes, manage sleep difficulties and mood swings, improve energy, and more. The Menopause Diet Plan takes a unique approach to eating before, during, and after menopause. Registered dietitians Hillary Wright and Elizabeth Ward provide a customizable, plant-based eating plan that is rich in protein, fiber, and other beneficial nutrients, moderate in carbohydrates, and low in saturated fat, sodium, and added sugars. Balancing evidence-based advice with real-life circumstances and personal experience, it combines the best of the world's healthiest diets with the latest nutrition research for women in the menopause

transition. Recipes such as Peanut Butter Smoothie, Chicken Italiano, and Chocolate Oatmeal Energy Balls make it easier to eat delicious, satisfying foods that nourish your body. With a comprehensive approach to better health, The Menopause Diet Plan helps women take charge of their well-being and live life to the fullest.

Arguing that giving estrogen replacement therapy to women after menopause is medically the wrong thing to do, Lee suggests that natural progesterone can prevent most of the unpleasant side effects of menopause, including osteoporosis and weight gain.

Many of us experience signs and symptoms of hormonal imbalance every day. Do you have trouble dragging yourself out of bed in the morning? Ever have an uncontrollable sugar craving at 3 p.m.? Chronic headaches? Lack of energy? Do you get stressed just sitting in your office? Our bodies are wired to send us signals when something isn't right, but often we're too busy to hear them. Compounding the problem is a lack of understanding about the consequences if these symptoms are left unaddressed. Without hormonal balances, we are more likely to succumb to many diseases and illnesses. The Hormone Diet lays out a foolproof plan to balance your life, one hormone at a time. But it is more than just a diet book. Along with advice for weight loss, Dr. Natasha Turner provided recommendations
