With its new introduction by Jim Hutton's co-writer Tim Wapshott, only the Kindle edition of 'Mercury and Me' (2013) is the updated story of rock's oddest couple. This is the Kindle edition in slightly larger format paperback, with b&w photos. The relationship between Freddie Mercury and Jim Hutton evolved over several months in 1984 and 1985. Even when they first slept together Hutton had no idea who Mercury was, and when the star told him his name it meant nothing to him. Hutton worked as a barber at the Savoy Hotel and retained his job and suburban lodgings long after first meeting the rock legend. Hutton finally moved in with Mercury and later also worked as his gardener. Hutton was never fully assimilated into Mercury's jet-setting lifestyle, nor did he want to be, but from 1985 until Mercury's death in 1991 he was closer to him than anyone. He knew all Mercury's closest chums including the other members of Queen, Elton John, David Bowie and Montserrat Caballé. Ever present at the countless Sunday lunch gatherings and opulent parties, in stark contrast Hutton also nursed Mercury through his terminal illness, often held him through the night in his final weeks, and was with him as he died. No one can tell the story of the last few years of Mercury's private life - the ecstasies and the agonies - more accurately or honestly than Jim Hutton.

With a new introduction by Jim Hutton's co-writer Tim Wapshott, only this Kindle-exclusive edition of 'Mercury and Me' is the updated story of rock's oddest couple. This is the large print edition (18pt sans

For the first time, the final years of one of the world's most captivating rock showman are laid bare. Including interviews from Freddie Mercury's closest friends in the last years of his life, along with personal photographs, *Somebody to Love* is an authoritative biography of the great man. Here are previously unknown and startling facts about the singer and his life, moving detail on his lifelong search for love and personal fulfilment, and of course his tragic contraction of a then killer disease in the mid-1980s. Woven throughout Freddie's life is the shocking story of how the HIV virus came to hold the world in its grip, was cruelly labelled 'The Gay Plague' and the unwitting few who indirectly infected thousands of men, women and children - Freddie Mercury himself being one of the most famous. The death of this vibrant and spectacularly talented rock star, shook the world of medicine as well as the

world of music. Somebody to Love finally puts the record straight and pays detailed tribute to the man himself.

A portrait of the iconic rock band's late lead singer draws on insider access to trace his rise to fame, struggles with risky behavior, relationships with loved ones and death from AIDS complications. 60,000 first printing.

WHO - OR WHAT - WAS THE REAL LOVE OF FREDDIE MERCURY'S LIFE? THE SENSATIONAL NEW BIOGRAPHY OF QUEEN'S FRONTMAN Millions of Queen and screen fans who watched the Oscar-winning film *Bohemian Rhapsody* believe that Mary Austin, the woman he could never quite let go of, was the love of Freddie Mercury's life. But the truth is infinitely more complicated. Best-selling biographer and music writer Lesley-Ann Jones explores the charismatic frontman's romantic encounters, from his boarding school years in Panchgani, India to his tragic, final, bed-ridden days in his magnificent London mansion. She reveals why none of his love interests ever perfected the art of being Freddie's life partner. In *Love of My Life*, the author follows him through his obsessions with former shop girl Mary, German actress Barbara Valentin and Irish-born barber boyfriend Jim Hutton. She explores his adoration of globally fêted Spanish soprano Montserrat Caballé. She delves into his intimate friendship with Elton John, and probes his imperishable bonds with his fellow band members. She deconstructs his complicated relationship with the 'food of love' - his music - and examines closely his voracious appetite for - what some would call his fatal addiction to - sex. Which of these was the real love of Freddie Mercury's life? Was any of them? Drawing on personal interviews and first-hand encounters, this moving book brings to the fore a host of Freddie's lesser-known loves, weaving them in and out of the passions that consumed him. The result, a mesmerising portrait of a legendary rock star, is unputdownable. *Love of My Life*, published during the year of the 30th anniversary of his death and that would have seen his 75th birthday, is Lesley-Ann's personal and compassionate tribute to an artist she has revered for as long as she has written about music and musicians.

With a new introduction by Jim Hutton's co-writer Tim Wapshott, here is the large print paperback of

the updated ebook edition. The only complete record of rock's tenderest loving odd couple, it is published November 2019 (USA, Canada and Japan, with matt black cover), honouring 28 years to the month when our planet lost the heavenly showman Freddie Mercury in 1991. This LARGE PRINT, LARGE FORMAT edition (8.5 x 1.4 x 11 inches, 18pt sans serif font) includes 12 oversize mono private photographs from the original hardback. The relationship between Freddie Mercury and Jim Hutton evolved over several months in 1984 and 1985. Even when they first slept together Hutton had no idea who Mercury was, and when the star told him his name it meant nothing to him. Hutton worked as a barber at the Savoy Hotel and retained his job and suburban lodgings long after first meeting the rock legend. Hutton finally moved in with Mercury and later also worked humbly as his gardener. Hutton was never fully assimilated into Mercury's jet-setting lifestyle, nor did he want to be, but from 1985 until Mercury's death in 1991 he was closer to him than anyone. He knew all Mercury's closest chums including the other members of Queen, Elton John, David Bowie and Montserrat Caballé. Ever present at the countless Sunday lunch gatherings and opulent parties, in stark contrast Hutton also nursed Mercury through his terminal illness, often held him through the night in his final weeks, and was with him as he died. No one can tell the story of the last few years of Mercury's private life - the ecstasies and the agonies - more accurately or honestly than Jim Hutton.

An intimate memoir of the flamboyant Queen singer by the man who knew him best. Peter Freestone was Freddie Mercury's Personal Assistant for the last 12 years of his life. He lived with Mercury in London, Munich and New York, and he was with him when he died. In this book, the most intimate account of Mercury's life ever written, he reveals the truth behind the scandalous rumours, the outrageous lifestyle and Mercury's relationships with men, women and the other members of Queen.

Read Online Mercury And Me Jim Hutton Tim Wapshott Google Books

From the famous names – including Elton John, Kenny Everett, Elizabeth Taylor and Rod Stewart – to the shadowy army of lovers, fixers and hangers-on, Peter Freestone saw them all play their part in the tragi-comedy that was Freddie Mercury's life. Freestone lived with Mercury in Europe and America for over a decade. From the East 50s apartment in New York to Kensington Lodge, the house in London where Mercury died – not to mention innumerable international hotel rooms and apartments in between – Freestone was always on hand to serve and protect the man he had first met in the Biba department store in the early 1970s. Then Queen was a largely unknown band. Soon it would be the most glitzy of glam rock bands. Freestone saw the fame arrive and with it the generosity, the excess, and the celebrity friends who came and went. “I was chief cook and bottle washer, waiter, butler, valet, secretary, amanuensis, cleaner, baby-sitter... and agony aunt,” he writes. “I shopped for him both at supermarkets and art markets, I travelled the world with him, I was with him at the highs and came through the lows with him. I saw the creative juices flow and I also saw the frustration when life wasn't going well. I acted as his bodyguard when needed and in the end, of course, I was one of his nurses.” Freestone's bestselling account of a talented and extravagant star's life and death is compelling, entertaining and ultimately, very touching. Illustrated with many photos from personal and Freestone's own archives. Press Reviews “An entertaining and thought provoking read” – PRS for Music Sales “This collection of Freddie's own words is the closest thing there is to an autobiography of a man with no regrets. The foreword is written by his mother” – reFRESH magazine, Leading Gay mag in the UK

Freddie Mercury was rock's most dazzling showman, a legendary entertainer who in 1991, at the age of just forty-five, became the first major music star to die of AIDS. Mercury's soaring four-octave voice was a defining element in Queen's unique sound, crucial to the success of the band's fifteen studio

Read Online Mercury And Me Jim Hutton Tim Wapshott Google Books

albums, from Queen (1973) to Made in Heaven (1995). He was also a supremely talented songwriter and musician who wrote many of the band's greatest hits, including 'Killer Queen', 'We Are the Champions' and their biggest triumph, the epic anthem 'Bohemian Rhapsody'. As a solo artist he released two acclaimed albums: Mr. Bad Guy in 1985 and the operatic 'Barcelona' with Spanish soprano Montserrat Caballé in 1988. Mercury's extraordinary charisma was perhaps best seen in his imperious live performances, in which he'd hold vast stadium crowds to rapturous attention. His outrageous theatrics, physicality and over-the-top costumes led one commentator to describe him as 'a performer out to tease, shock, and ultimately charm his audience with various extravagant versions of himself'. He pushed the limits of camp in everything he did. His extreme behaviour, in a society in which being gay was only starting to be accepted, just added to Freddie Mercury's allure. With expert understanding, Mark Blake traces Mercury's life from his childhood in Zanzibar and India to his untimely death, and charts his astonishing achievements including in Queen's world-conquering performance at Live Aid in 1985. In the year that marks what would have been his seventieth birthday, Freddie Mercury: A Life celebrates a remarkable life, lived to the fullest. Featuring revealing interviews with fellow musicians, producers and collaborators, and a detailed discography and timeline, this is a memorable tribute to a unique recording artist and an irreplaceable performer who rocked the world.
