Getting Started with Mindfulness -

Mindful

Mindfulness is defined as a focused state of awareness of the present moment with an attitude of openness, curiosity, non-judgment, and acceptance. The most vital parts of that definition are curiosity and non-judgment. While you are curiously aware of your passing thoughts, you must make sure you also examine them without any judgment.

*Mindfulness for Beginners by Jon
Kabat-Zinn*

Mindfulness (some use the word grounding) is characterized by meditation and relaxation techniques. The idea is to become more self-aware. You pay attention to thoughts,

Download Free Mindfulness Mindfulness For Beginners

feelings, and sensations in that moment — without purposefully deciding whether they're good or bad, and without becoming overwhelmed or overly reactive.
