Excerpt from Morphy's Games of Chess: Being the Best Games Played by the Distinguished Champion in Europe and America In the arrangement of this work, a rule has been adopted of giving, as far as possible, the beat of my games. This rule, however, has been ignored in respect to Matches and Blindfold contests, which it was thought advisable to give entire; thus many parties are introduced which might other wise have been omitted. It is for the reader to express his opinion on the judiciousness of the selection; I can only solicit his courteous consideration.
