When real money is at stake, it tends to clarify the mind, and for

Online Library Newspaper Publisher Template

over a decade, Anne-Marie Fink has had literally billions of dollars resting on her assessments of companies. As an equity analyst and professional investor, she has been charged with understanding whether businesses are solid, long-term moneymakers—or

Online Library Newspaper Publisher Template

rotten tomatoes—before investing with them. She has had unusual access to an incredible variety of businesses, from entertainment conglomerates to newspapers, Internet companies, airlines, railroads, furniture manufacturers, auto suppliers,

Online Library Newspaper Publisher Template

staffing agencies, and others. Well known for her ability to drill down to the details and understand what makes a business tick, she has skillfully dissected the story of many a CEO and talked with people up and down the ranks, as well as

Online Library Newspaper Publisher Template

customers, suppliers, regulators, distributors, bankers, and rivals—anyone who could give her insight on a company's operations. The result is a book of great originality—an unusual and perceptive look at business that busts myths and conventional

Online Library Newspaper Publisher Template

thinking. Based on what she and her investing colleagues have seen firsthand, Anne-Marie Fink's *The Moneymakers* provides a highly pragmatic framework for thriving in our hypercompetitive world. They include:

- Shrink to grow: Why expanding a bad (low-

Online Library Newspaper Publisher Template

return) business means you just have more of a problem, and how a step backward is often the best way forward. • Good performance requires inefficiency and duplication: How maximum efficiency produces suboptimal results by stifling innovation. •

Online Library Newspaper Publisher Template

Don't be a customer fanatic: How to know when to listen to and when to ignore your customers. • Economics always trumps management: Ignore bedrock economic laws—such as supply and demand—at your peril; it is akin to ordering the tides to stay

Online Library Newspaper Publisher Template

in place. • Why happy employees don't make for high-performance workplaces. • Problems in business are like cockroaches—there's never just one: How to catch problems before they infest your company. • Avoid the trap of profitless

Online Library Newspaper Publisher Template

growth: Additional profits is an illusion if it consumes too much capital. • Megatrends start as ripples: How to position your business to ride long-term waves, not be drowned by them.

Literacy—it's not just for English

Learn what it means to be a

Online Library Newspaper Publisher Template

journalist in this fun, fast-paced new middle grade series about a club of kid reporters by an award-winning author. Nellie Murrow -- the daughter of two (former) newspaper reporters -- was named after one of the fiercest journalists who ever lived. When

Online Library Newspaper Publisher Template

she moves to sleepy Bear Creek, Maine, rumors of vandalism and attacks at the only park in town are keeping her saddled to the house. Some townspeople say the attacks are gang recruitments. Others blame a vagrant spotted on the hiking trails around town.

Online Library Newspaper Publisher Template

But when Nellie thinks like a reporter, none of those explanations make sense. Something is happening at the park, but what? All of the fake online news and rumors are clouding the truth. Nellie wants to break the story -- and break free

Online Library Newspaper Publisher Template

from the front yard -- but she can't do it alone. She needs a whole club if she's going to start the Cub Report, the town's first independent newspaper. Creating a newspaper from scratch is going to be tough; but for Nellie, making friends is even harder.

Starred Kirkus Review

A London researcher was the first to assert that the combination measles-mumps-rubella vaccine known as MMR caused autism in children. Following this "discovery," a handful of parents

Online Library Newspaper Publisher Template

declared that a mercury-containing preservative in several vaccines was responsible for the disease. If mercury caused autism, they reasoned, eliminating it from a child's system should treat the disorder. Consequently, a number of

Online Library Newspaper Publisher Template

untested alternative therapies arose, and, most tragically, in one such treatment, a doctor injected a five-year-old autistic boy with a chemical in an effort to cleanse him of mercury, which stopped his heart instead. Children with autism have been placed on

Online Library Newspaper Publisher Template

stringent diets, subjected to high-temperature saunas, bathed in magnetic clay, asked to swallow digestive enzymes and activated charcoal, and injected with various combinations of vitamins, minerals, and acids. Instead of helping, these therapies can hurt

Online Library Newspaper Publisher Template

those who are most vulnerable, and particularly in the case of autism, they undermine childhood vaccination programs that have saved millions of lives. An overwhelming body of scientific evidence clearly shows that childhood vaccines are safe and

Online Library Newspaper Publisher Template

does not cause autism. Yet widespread fear of vaccines on the part of parents persists. In this book, Paul A. Offit, a national expert on vaccines, challenges the modern-day false prophets who have so egregiously misled the public and exposes the

Online Library Newspaper Publisher Template

opportunism of the lawyers, journalists, celebrities, and politicians who support them. Offit recounts the history of autism research and the exploitation of this tragic condition by advocates and zealots. He considers the

Online Library Newspaper Publisher Template

manipulation of science in the popular media and the courtroom, and he explores why society is susceptible to the bad science and risky therapies put forward by many antivaccination activists.
