The off-road Nissan Patrol operates from 1951 as a pick-up or station wagon and first got its name only 1960. The car was known in Japan under the name Nissan Safari until 1980. The models always had leaf springs until 1980 and were for the first time completely fitted with coil springs only in 1988. Further on, the components of this typical and classical off-road vehicle were different ...
