This update, referred to as the 8th edition, was introduced that combined unit 1 & 2 into a single unit. Revision 8 also incorporated changes that rationalized the structure, some subjects were added, some removed or amended. The training material was completely revised together with the training material.

In April 2016, MLA replaced its seventh edition resources with a new eighth edition. This updated version reflects the ways in which digital publication has changed how writers and researchers document sources. Therefore, the new edition includes significant shifts in the approach to source documentation in academic writing.
