Dr. Otto Kernberg, the internationally renowned psychoanalytic theorist and clinician, here examines the success and failure of sexual love in couples, from adolescence to old age. Dr. Kernberg considers the two partners' conscious and unconscious emotional interactions and their unconsciously activated superego interactions. He also suggests that they establish a joint ego ideal as a couple ...

## Read Online Otto Kernberg

Malignant narcissism is a psychological syndrome comprising an extreme mix of narcissism, antisocial behavior, aggression, and sadism. Grandiose, and always ready to raise hostility levels, the malignant narcissist undermines families and organizations in which they are involved, and dehumanizes the people with whom they associate.. Malignant narcissism is a hypothetical, experimental ...
