DMC-G1 - Panasonic

The 4th model of the LUMIX S Series camera is born. Packing the essence of the conventional S Series camera in a compact, lightweight body, the new hybrid full-frame mirrorless camera LUMIX S5 provides excellent performance in both shooting photos and recording videos for serious, enthusiastic photographers and videographers.

LUMIX S5 - Panasonic

Ease of Use. The new Panasonic GX1 carries on where the popular GF1 camera left off, taking on the mantle of being a small, compact interchangeable-lens camera with all the functionality, controls and degree of customisation that an enthusiast could want. It's therefore quite a departure from the GF2 and GF3 models, which were in turn designed to be the smallest and lightest compact system cameras on the market, and which were also aimed predominantly at people upgrading from a compact camera.
