The Second Edition of Parliamo italiano! instills five core language skills by pairing cultural themes with essential grammar points. Students use culture—the geography, traditions, and history of Italy—to understand and master the language. The 60-minute Parliamo italiano! video features stunning, on-location footage of various cities and regions throughout Italy according to a story line corresponding to each unit's theme and geographic focus.

"Not only does Parliamo Italiano provide readers learning Italian with a strong ground in the four ACTFL skills - reading, writing, speaking, and listening - but it also emphasizes cultural fluency. The book follows a more visual approach by integrating maps, photos, realia, and cultural notes that offer a vibrant image of Italy. The chapters are organized around functions and activities. Cultural information has been updated to make the material more relevant. In addition, discussions on functional communications give readers early success in the language and encourage them to use it in practical situations."--Provided by publisher.

This new edition of the Modern Italian Grammar is an innovative reference guide to Italian, combining traditional and function-based grammar in a single volume. With a strong emphasis on contemporary usage, all grammar points and functions are richly illustrated with examples. Implementing feedback from users of the first edition, this text includes clearer explanations, as well as a greater emphasis on areas of particular difficulty for learners of Italian. Divided into two sections, the book covers: traditional grammatical categories such as word order, nouns, verbs and adjectives language functions and notions such as giving and seeking information, describing processes and results, and expressing likes, dislikes and preferences. This is the ideal reference grammar for learners of Italian at all levels, from beginner to advanced. No prior knowledge of grammatical terminology is needed and a glossary of grammatical terms is provided. This Grammar is complemented by the Modern Italian Grammar Workbook Second Edition which features related exercises and activities.

Learn the language of la dolce vita! For anyone who wants to learn and enjoy the most expressive and romantic of languages, the third edition of 'The Complete Idiot's Guide to Learning Italian' is the first choice for a whole new generation of enthusiastic students of Italian. This updated edition includes two new quick references on verbs, grammar, and sentence structure; two new appendixes on Italian synonyms and popular idiomatic phrases; and updated business and money sections. First two editions have sold extraordinarily well. Italian is the fourth most popular language in the United States.
