Access Free Polaris Ranger Engine Codes

Today, the light came back on with the two codes listed in the title (65590 and 65592) which, after a bit of research, I found to be something with the spark plugs. Pulled them out and they look brand new. Blew out the chambers, plugs and boots and will ride it again tomorrow to test it before we head to Brimstone on Thursday.

Check engine light with codes 7 ... - Polaris General Forum

It will display "blink codes" with spaces between the numbers. ((Have a pad and pencil)) Mine displays all codes in actual numbers after it's done it will say END) 46,41,54 & 25 in that order. Two of the codes are or could be multiple things, all but 25 is or could be ground/neg related.
