What parents need to know Parents need to know that Reality Boy by A.S. King (Ask the Passengers, Everybody Sees the Ants) depicts emotionally damaged 17-year-old Gerald's struggle to overcome his dysfunctional family background. The emotional impact of Gerald's physical abuse by his sister and his parents' incompetence is powerful.

Reality Boy Book Review - Common Sense Media

In this fearless portrayal of a boy on the edge, highly acclaimed Printz Honor author A.S. King explores the desperate reality of a former child . One thing that I really love about A.S. King's books are that they make me think. They go to dark places sometimes and really force you to look beyond the surface and examine the deeper themes.

Reality Boy by AS King | Book Review | Good Books & Good Wine

"What occurs to me at this second is this: There is a huge world out there. I only know my dumb family and my dumb house and my dumb school and my dumb job. But there is a huge world out there...and most of it is underwater." -- A.S. King, Reality Boy

Reality Boy Quotes by A.S. King - Goodreads

This was followed by Reality Boy in 2013, which was inspired by wondering if some children on reality television that were presented as entertainment were subject to abuse. Her 2014 novel, Glory O'Brien's History of the Future , follows a character who is actually the daughter of the protagonist in an unpublished novel King wrote in 2004, called Why People Take Pictures .

Reality Boy by King, A S

Reality Boy is an examination of modern culture. It's about dysfunctional families, narcissism, untreated mental illness, and the media's manipulation of information. It's also about forgiveness and learning to take control of your life. It definitely won't be my last A.S. King book.

Read All The Things!: Review: Reality Boy – A.S. King

In this fearless portrayal of a boy on the edge, highly acclaimed Printz Honor author A. S. King explores the desperate reality of a former child "star" struggling to break free of his anger. Gerald Faust knows exactly when he started feeling angry: the day his mother invited a reality TV crew into his five-year-old life.

In this fearless portrayal of a boy on the edge, highly acclaimed Printz Honor author A.S. King explores the desperate reality of a former child "star" struggling to break free of his anger. Gerald Faust started feeling angry even before his mother invited a reality TV crew into his five-year-old life. Twelve years later, he's still haunted by his rage-filled youth--which the entire world got to watch from every imaginable angle--and his anger issues have resulted in violent outbursts, zero friends, and clueless adults dumping him in the special education room at school. No one cares that Gerald has tried to learn to control himself; they're all just waiting for him to snap. And he's starting to feel dangerously close to doing just that...until he chooses to create possibilities for himself that he never knew he deserved.

In this fearless portrayal of a boy on the edge, highly acclaimed Printz Honor author A.S. King explores the desperate reality of a former child "star" struggling to break free of his anger. Gerald Faust started feeling angry even before his mother invited a reality TV crew into his five-year-old life. Twelve years later, he's still haunted by his rage-filled youth--which the entire world got to watch from every imaginable angle--and his anger issues have resulted in violent outbursts, zero friends, and clueless adults dumping him in the special education room at school. No one cares that Gerald has tried to learn to control himself; they're all just waiting for him to snap. And he's starting to feel dangerously close to doing just that...until he chooses to create possibilities for himself that he never knew he deserved.

Lucky Linderman didn't ask for his life. He didn't ask his grandfather not to come home from the Vietnam War. He didn't ask for a father who never got over it. He didn't ask for a mother who keeps pretending their dysfunctional family is fine. And he didn't ask to be the target of Nader McMillan's relentless bullying, which has finally gone too far. But Lucky has a secret--one that helps him wade through the daily mundane torture of his life. In his dreams, Lucky escapes to the war-ridden jungles of Laos--the prison his grandfather couldn't escape--where Lucky can be a real man, an adventurer, and a hero. It's dangerous and wild, and it's a place where his life just might be worth living. But how long can Lucky keep hiding in his dreams before reality forces its way inside? Michael L. Printz Honor recipient A.S. King's smart, funny and boldly original writing shines in this powerful novel about learning to cope with the shrapnel life throws at you and taking a stand against it.

The King and his noblemen pursued a life of unbridled lust with those that submitted to their power by choice or for the unfortunate, in the dungeons below the castle where bondage insured their submission. Nothing is forbidden for the privileged, not even the unspeakable taboos of society. "King's Dungeon" is set in the 11th century where men dominate and woman had no choice but to submit to any and all demands a man could conceive. King Rulf, after conquering his enemies, returns to take his rightful place on the throne with a wife to bear him many heirs. But there is always time to find his pleasures in the bedrooms of any woman he desires or to satisfy his jaded lust in the dungeons.

In a dark future, when North America has split into two warring nations, 15-year-olds Day, a famous criminal, and June, the brilliant soldier hired to capture him, discover that they have a common enemy.P. Putnam's Sons.

Reproduction of the original: Kings in Exile by Charles G.D. Roberts

Features five of the author's best early stories: title selection plus "The Phantom Rickshaw," "Wee Willie Winkie," "Without Benefit of Clergy" and "The Strange Ride of Morrowbie Jukes."

Winner of the Anisfield-Wolf Book Award for Fiction Winner of the Gotham Book Prize One of Barack Obama's "Favorite Books of the Year" Oprah's Book Club Pick Named one of the Top Ten Books of the Year by the New York Times, Entertainment Weekly and TIME Magazine A Washington Post Notable Novel From the author of the National Book Award-winning The Good Lord Bird and the bestselling modern classic The Color of Water, comes one of the most celebrated novels of the year. In September 1969, a fumbling, cranky old church deacon known as Sportcoat shuffles into the courtyard of the Cause Houses housing project in south Brooklyn, pulls a .38 from his pocket, and, in front of everybody, shoots the project's drug dealer at point-blank range. The reasons for this desperate burst of violence and the consequences that spring from it lie at the heart of Deacon King Kong, James McBride's funny, moving novel and his first since his National Book Award-winning The Good Lord Bird. In Deacon King Kong, McBride brings to vivid life the people affected by the shooting: the victim, the African-American and Latinx residents who witnessed it, the white neighbors, the local cops assigned to investigate, the members of the Five Ends Baptist Church where Sportcoat was deacon, the neighborhood's Italian mobsters, and Sportcoat himself. As the story deepens, it becomes clear that the lives of the characters--caught in the tumultuous swirl of 1960s New York--overlap in unexpected ways. When the truth does emerge, McBride shows us that not all secrets are meant to be hidden, that the best way to grow is to face change without fear, and that the seeds of love lie in hope and compassion. Bringing to these pages both his masterly storytelling skills and his abiding faith in humanity, James McBride has written a novel every bit as involving as The Good Lord Bird and as emotionally honest as The Color of Water. Told with insight and wit, Deacon King Kong demonstrates that love and faith live in all of us.

Sinjin Cameron is a broken man, living in a world filled with death, danger and deceit. His days are spent fighting for justice, his nights fighting the demons that plague him. His job and his demons interrupt everything most important to him, especially his ability to love. While he longs for love, he knows he can never have it. Not the kind he wants, the love of a good woman. No woman will ever understand his world of danger and demons. In rare moments of peace, he cannot deny his longing for Asia Carrington. She is the one good thing that haunts him. The love in his heart is battling with the demons in his head. Thinking to keep her safe, he pulls away. Yet she draws closer. Will he be able to conquer the demons, the danger, and the walls he

Elizabeth II, at the age of 91, is the longest-reigning monarch ever to sit on the throne of England. Most people living today have no memory of a time when she was not Queen. But when she was born, no one knew she was destined to rule. Her father, the Duke of York, was only the second son of George V. His dashing playboy brother was Prince of Wales and heir to the throne. It wasn't until King Edward VIII abdicated his throne to marry Wallis Simpson in 1936 that the Princess Elizabeth, then ten years old, knew the course that her life was to take. From the unlikely romance that united her parents, to the abdication that nearly toppled the monarchy, this biography will introduce you to the Princess who came before the Queen. Set apart from other children and sheltered by her parents, her steadiness of character nonetheless enabled her to help fight the Nazis in World War II and overcome steep obstacles in order to marry the man she loved. These were the years that forged the character of the woman whose 65-year reign has seen her country through the second half of the 20th century and beyond.
