"At this moment of technological change, film studies is entering an exciting new phase in which it faces many challenges, not least the demand that it reinvent itself once again. This stimulating anthology will play an indispensable part in that process, and I have no hesitation in recommending it."—Pam Cook, University of Southampton

a long way toward redressing claims by historians such as Eric Smoodin that film studies is one of the most under-historicized disciplines in the humanities. In conjunction with other recently published works, the pluralistic history of motion picture study is beginning to be mapped out by Grieveson and Wasson's excellent anthology."
