Running with the Kenyans: Discovering the secrets of the ...

The author set out to discover why the Kenyans are better than anyone else at marathon running. He doesn't do this.....there is no real answer but several theories. Instead he reveals an insight into the life of a Kenyan runner perhaps unseen before. Their poverty and way of life, their diet, the esteem of runners in their culture, their diet.

Running with the Kenyans - 2.droppdf.com

Kenyans are so inherently good at running—at least in the eyes of the author Finn Adharanand—that even the most advanced technology in the world is not going to make them better. Unlike some white coaches before him, Finn goes to Iten, a small village This is a book about a white man who travels to Africa and whose goals do not include improving the lives of the people there.

Running with the Kenyans: Discovering the secrets of the ...

Running with the Kenyans Quotes Showing 1-10 of 10 "Right before you head out running, it can be hard to remember exactly why you're doing it. You often have to override a nagging sense of futility, lacing up your shoes, telling yourself that no matter how unlikely it seems right now, after you finish you will be glad you went.
