Shannon Price's *The Endless Skies* is a breakout standalone epic fantasy about shapeshifting warriors perfect for fans of Adrienne Young and Wonder Woman. High above the sea, floats the pristine city of the Heliana. Home to winged-lion shapeshifters—the Leonodai—and protected from the world of humans by an elite group of warriors, the Heliana has only known peace. After years of brutal training, seventeen-year-old Rowan is ready to prove her loyalty to the city and her people to become one of the Leonodai warriors. But before Rowan can take the oath, a deadly disease strikes the

city's children. Soon the warriors—including two of Rowan's closest friends—are sent on a dangerous mission to find a fabled panacea deep within enemy lands. Left behind, Rowan learns a devastating truth that could compromise the mission and the fate of the Heliana itself. She must make a decision: stay with the city and become a warrior like she always dreamed, or risk her future in an attempt to save everyone she loves. Whatever Rowan decides, she has to do it fast, because time is running out, and peace can only last so long... and scope, Alice Borchardt breathes life into a bygone age, brilliantly recreating a sensuous, violent world--and the men and women whose grand ambitions, betrayals, and passions shape the era in which they live and die. Decadent Rome at the dawn of the Dark Ages is mired in crumbling grandeur. Now, into the Eternal City comes Regeane, a beautiful young woman distantly related, through her dead mother, to Charlemagne. Regeane's regal blood renders her an unwilling pawn in the struggle for political power. But unknown to those plotting against her, the blood she has inherited from her murdered father makes her much more than a child of royalty. Possessed of preternatural agility and strength, primal memories extending back thousands of years, and senses

so keen they can pierce the veil of death itself, Regeane is a shapeshifter: woman and wolf, hunter and hunted. Betrothed by Charlemagne's command to a barbarian lord she has never seen, Regeane is surrounded by enemies. The most notorious, her depraved uncle and guardian, will not scruple to betray her to the Church unless she aids him in his sinister schemes. And if the Church discovers her secret, Regeane will burn at the stake. Yet Regeane finds allies as well: Lucilla, rumored to be the private courtesan of Pope Hadrian himself; Antonius, a wise and gentle soul trapped within a body grotesquely disfigured by disease; and the little Saxon girl Elfgifa, brave beyond her years, with a tongue as sharp as a blade. Outside the gates of Rome, baying on the

moonlit expanses of the Campagna, there is a mysterious dark wolf whose scent makes the animal in Regeane tremble with desire. Now, as an infamous stranger prepares to claim his bride, deadly plots and counter plots tighten like a noose around her neck, Regeane must fight to live with dignity as the proud creature she is: civilized and savage, woman and wolf, partaking of both yet infinitely more than either . . . Lyrical, fast-paced, sensual, and rich with historical detail and deep insights into the heart, *The Silver Wolf* catapults Alice Borchardt squarely into the front rank of contemporary women writers. Her intricate plot and hypnotic voice will cast a spell that few will be able to resist. *Night of the Wolf* The fearsome legions of Julius Caesar have crushed resistance to Roman rule. Watching

the tragic aftermath through yellow eyes afire with curiosity and intelligence is Maeniel, a gray wolf . . . and a shapeshifter unaware of his preternatural duality. But a new Maeniel is about to be born from the ruins. The sight of the beautiful Imona fills Maeniel with unfamiliar feelings and desires, triggering his transformation from wolf to man. In her arms he learns what it means to love. It is a knowledge that will change him forever. When Imona vanishes, Maeniel follows her trail--unaware that he is being pursued by a warrior-woman sworn to kill him. But the hunt upon which the two adversaries embark will lead them farther than they can imagine: to the gates of Rome itself--to the gates of their very souls . . .

WASHINGTON POST On a cool evening in Kolkata, India, beneath a full moon, as the whirling rhythms of traveling musicians fill the night, college professor Alok encounters a mysterious stranger with a bizarre confession and an extraordinary story. Tantalized by the man's unfinished tale, Alok will do anything to hear its

completion. So Alok agrees, at the stranger's behest, to transcribe a collection of battered notebooks, weathered parchments, and once-living skins. From these documents spills the chronicle of a race of people at once more than human yet kin to beasts, ruled by instincts and desires blood-deep and ages-old. The tale features a rough wanderer in seventeenth-century Mughal India who finds himself irrevocably drawn to a defiant woman—and destined to be torn asunder by two clashing worlds. With every passing chapter of beauty and brutality, Alok's interest in the stranger grows and evolves into something darker and more urgent. Shifting dreamlike between present and past with intoxicating language, visceral action, compelling characters, and stark emotion, *The Devourers* offers a

reading experience quite unlike any other novel. Praise for *The Devourers* “A chilling, gorgeous saga that spans several centuries and many lands . . .

The all-too-human characters—including the nonhuman ones—and the dreamlike, recursive plot serve to entrance the reader. . . .

There’s no escaping *The Devourers*. Readers will savor every bite.”—N. K. Jemisin, *The New York Times Book Review* “*The Devourers* is beautiful. It is brutal. It is violent and vicious. . . .

[It] also showcases Das’s incredible prowess with language and rhythm, and his ability to weave folklore and ancient legend with modern day loneliness.”—Tordotcom “A wholly original, primal tale of love, violence, and transformation.”—Pierce Brown, #1 *New York Times* bestselling author of *The Red Rising Trilogy* “Astonishing . .

Percy is confused. When he awoke after his long sleep, he didn't know much more than his name. His brain-fuzz is lingering, even after the wolf Lupa told him he is a demigod and trained him to fight. Somehow Percy managed to make it to the camp for half-bloods, despite the fact that he had to continually kill monsters that, annoyingly, would not stay dead. But the camp doesn't ring any bells with him. Hazel is supposed to be dead. When she lived before, she didn't do a very good job of it. When the Voice took over her mother and commanded Hazel to use her "gift" for an evil purpose, Hazel couldn't say no. Now,

because of her mistake, the future of the world is at risk.

Having inherited the power to change into any kind of animal, sixteen-year-old Susan joins the fight against the greedy shaman Ometerer, who is attempting to steal this secret from her people and then destroy them.
