Why is the notorious Duke of Blackstone ruining Mary's well-laid plans to marry his brother, the handsome Viscount Wetherly? Every time she turns a corner, he is there—tantalizing her, teasing her . . . and the more she tries to ignore him, the more insistent he becomes. Mary knows she must make an advantageous marriage, but surely Blackstone is the wrong man for her. Isn't he? Blackstone is not about to let his brother become bewitched by some wily blueblood pretender . . . even one as deliciously tempting as Mary. But until she came along, no woman has ever resisted his smooth, well-practiced seductions. Could it

be that he's actually fallen in love with this infuriating chit?

Explains the ways in which the media uses sex and violence to manipulate human behavior, citing specific examples from Playboy, Vogue, and Cosmopolitan magazines

Long a favorite on dance floors in Latin America, the porro, cumbia, and vallenato styles that make up Colombia's música tropical are now enjoying international success. How did this music—which has its roots in a black, marginal region of the country—manage, from the 1940s onward, to become so popular in a nation that had prided itself on its white heritage? Peter Wade explores the history of música tropical, analyzing its rise in the context of the development of the broadcast media, rapid urbanization, and regional struggles for power. Using archival sources and oral histories, Wade shows how big band renditions of cumbia and porro in the 1940s and 1950s suggested both old traditions and new liberties, especially for women, speaking to a deeply rooted image of black music as sensuous. Recently, nostalgic, "whitened" versions of música tropical have gained popularity as part of government-sponsored multiculturalism. Wade's fresh look at the way music transforms and is transformed by ideologies of race, nation, sexuality, tradition, and modernity is the first book-

length study of Colombian popular music.

A daily handbook for cultivating abundance and riches-from the classic writings of Napoleon Hill. Think and Grow Rich has sold millions of copies since its initial publication, and is still one of the bestselling books on the market. With 365 quotations from Napoleon Hill's most important works on success and abundance, this daily guide serves as a companion for everyone who wants to experience more prosperity in their lives. Using Hill's idea that each day matters, and that every day offers new opportunities, Think and Grow Rich Every Day is the perfect gift for every reader who wants to turn this groundbreaking philosophy into reality. Using the most potent writings from Hill's books, Think and Grow Rich and The Law of Success, these daily readings will help to turn doubt into confidence, fear into strength, and failure into triumph.

Updated with a new foreword and revised text, a twentieth anniversary release of a top-selling reference counsels women on how to end destructive cycles of co-dependence and misogyny, in a guide that shares case histories of women who have ended or improved relationships with emotionally unavailable, addicted, or unfaithful partners. Reprint. 50,000 first printing.

Don't let addiction keep you from Knowing A Better Life For many, addiction can be a life sentence of anguish. Every day, millions struggle with addictions of all kinds from drugs to gambling to food. For John Collopy, owner of RE/MAX Results, alcohol was his vice. In an attempt to manage the trauma of a troubled youth, abusive father, and his own hereditary roots of alcoholism, John fell into a downward spiral of addiction and anger issues. Though his addiction clouded most of his youth, John was able to save his future by choosing a life of sobriety. Despite the everpresent battle against his demons, John is proof that there is nothing that is unattainable through determination. In The Reward of Knowing, John reflects on the events of his life, the dysfunction of his family, the deepest pits of his addiction, and how he ended up on the other side. John openly shares the secrets of his success, his journey towards a sober future, and the lessons he learned along the way. Filled with deeply personal anecdotes and wisdom, The Reward of Knowing is a beacon of hope and inspiration for those who find themselves caught within the grasp of addiction. There's no doubt that we all have low points in our lives, but we don't have to let our low points be our defining factor. Let The Reward of Knowing be the first step in realizing the true potential of your future and how to succeed past your addiction.

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Literary Nonfiction. *CALIBAN AND THE WITCH* is a history of the body in the transition to capitalism. Moving from the peasant revolts of the late Middle Ages to the witch-hunts and the rise of mechanical philosophy, Federici investigates the capitalist rationalization of social reproduction. She

shows how the battle against the rebel body and the conflict between body and mind are essential conditions for the development of labor power and self-ownership, two central principles of modern social organization."It is both a passionate work of memory recovered and a hammer of humanity's agenda." Peter Linebaugh, author of The London Hanged"

Now a Netflix movie directed by Mike Flanagan (Oculus, Hush) and starring Carla Gugino and Bruce Greenwood. Master storyteller Stephen King presents this classic, terrifying #1 New York Times bestseller. When a game of seduction between a husband and wife ends in death, the nightmare has only begun... "And now the voice which spoke belonged to no one but herself. Oh my God, it said. Oh my God, I am all alone out here. I am all alone." Once again, Jessie Burlingame has been talked into submitting to her husband Gerald's kinky sex games—something that she's frankly had enough of, and they never held much charm for her to begin with. So much for a "romantic getaway" at their secluded summer home. After Jessie is handcuffed to the bedposts—and Gerald crosses a line with his wife—the day ends with deadly consequences. Now Jessie is utterly trapped in an isolated lakeside house that has become her prison—and comes face-to-face with her deepest, darkest fears and memories. Her only company is that of the various voices filling her mind...as well as the shadows of nightfall that may conceal an

imagined or very real threat right there with her...

Psychopath. The word conjurs up images of serial killers, rapists, suicide bombers, gangsters. But think again: you could probably benefit from being a little more psychopathic yourself. Psychologist Kevin Dutton has made a speciality of psychopathy, and is on first-name terms with many notorious killers. But unlike those incarcerated psychopaths, and all those depicted in movies and crime fiction, most are not violent, he explains. In fact, says Prof Dutton, they have a lot of good things going for them. Psychopaths are fearless, confident, charismatic and focused--qualities tailor-made for success in today's society. The Wisdom of Psychopaths is an intellectual rollercoaster ride that combines lightning-hot science with unprecedented access to secret monasteries, Special Forces training camps, and high-security hospitals. In it, you will meet serial killers, war heroes, financiers, movie stars and attorneys--and discover that beneath the hype and popular characterization, psychopaths have something to teach us. Like the knobs on a mixing deck, psychopathy is graded. And finding the right combination of psychopathic traits, sampled and mixed at carefully calibrated volumes, can put us ahead of the game.
