Soul Mining is the debut album by British post-punk/synth-pop band the The. After a bidding war between major record labels which resulted in the group signing with CBS Records, Johnson began recording the album in New York City, but the initial recording sessions were aborted after the album's first two singles and Johnson returned to London where he wrote and recorded the rest of the record. Musically, Soul Mining is a post-punk and synth-pop album with influences of the early 1980s New York c
