Paranormal romance fans who are looking to up the ante will be drawn to this tale of horror, fantasy, and romance. For Mab Prowd, the practice of blood magic is as natural as breathing. It's all she's ever known. Growing up on an isolated farm in Kansas with other practitioners may have kept her from making friends her own age, but it has also given her a sense of purpose—she's connected to the land and protective of the magic. And she is able to practice it proudly and happily out in the open with only the crows as her companions. Mab will do anything to keep the ancient practice alive and guard its secrets. But one morning while she is working out a particularly tricky spell she encounters Will, a local boy who is trying to exorcise some mundane personal demons. He experiences Mab's magic in a way his mind cannot comprehend and is all too happy to end their chance meeting. But secrets that were kept from Mab by the earlier generations of blood magicians have come home to roost. And she and Will are drawn back together, time again by this dangerous force looking to break free from the earth and reclaim its own dark power. "The power of this narrative lies in the gorgeous prose, lush with a gothic sensibility, ripe with sensual images of horrific beauty. . . . Passion, heartbreak, yearning and dread bleed from every page. A perfect book for those who loved *Wuthering Heights* and are looking for an essentially American gothic."--Kirkus Reviews

A map into the past. A long-lost young woman. And a thirty-year family mystery. *The Hunter Valley, 1880*. Evie Ludgrove loves to chart the landscape around her home—hardly surprising since she grew up in the shadow of her father's obsession with the great Australian explorer Dr. Ludwig Leichhardt. So when an advertisement appears in *The Bulletin* magazine offering a thousand-pound reward for proof of where Leichhardt met his fate, Evie is determined to use her father's papers to unravel the secret. But when Evie sets out to prove her theory, she vanishes without a trace, leaving behind a mystery that haunts her family for thirty years. Letitia Rawlings arrives at the family estate in her Ford Model T to inform her great-aunt Olivia of a loss in their family. But Letitia is also escaping her own problems—her brother's sudden death, her mother's scheming, and her dissatisfaction with the life planned out for her. So when Letitia discovers a beautifully illustrated map that might hold a clue to the fate of her missing aunt, Evie Ludgrove, she sets out to discover the truth. But all is not as it seems, and Letitia begins to realize that solving the mystery of her family's past could offer as much peril as redemption. A gripping historical mystery for fans of Kate Morton and Natasha Lester's *The Paris Seamstress*, *The Cartographer's Secret* follows a young woman's quest to heal a family rift as she becomes entangled in one of Australia's greatest historical puzzles. "A galvanizing, immersive adventure . . . forcing the characters to reckon with the choice found at the crux of passion and loyalty and the power of shared blood that can either destroy or heal." —Joy Callaway, international bestselling author of *The Fifth Avenue Artists Society* Daphne du Maurier Award Winner, 2021 Historical story with both romance and mystery Full-length, stand-alone novel (c. 104,000 words) Includes discussion questions for book clubs

The biggest lie of all is the story you think you already know. The del Cisne girls have never just been sisters; they're also rivals, Blanca as obedient and graceful as Roja is vicious and manipulative. They know that, because of a generations-old spell, their family is bound to a bevy of swans deep in the woods. They know that, one day, the swans will pull them into a dangerous game that will leave one of them a girl, and trap the other in the body of a swan. But when two local boys become drawn into the game, the swans' spell intertwines with the strange and unpredictable magic lacing the woods, and all four of their fates depend on facing truths that could either save or destroy them. Blanca & Roja is the captivating story of sisters, friendship, love, hatred, and the price we pay to protect our hearts.
