Learning to read is a complex process involving identifying letter shapes and sounds, putting meaning to words, reading fluently, and comprehension. Learners need to have an abundance of reading materials available to them - different stories and types of materials (books, toys, comics, posters etc), appropriate for their level of reading - in order to become fluent readers who understand what they read.

English reading apps (for English students) The advantage of these materials is that, unlike books, they're completely free. However, I highly recommend that you stick with books. The main reason is that these types of reading material contain advertisements and other distracting elements (like pop-ups). So it's hard to stay focused.
