Take Home Exams: Tell It Like It Is. Take-home exams can be a very effective tool for assessing students' learning, but also present some challenges in ensuring equity for those taking them. The format gives students more time and flexibility to complete an advanced or complex assignment, perhaps with more resources, than they would have in a seated final exam.

Just embrace the complexity, take a deep breath, and get to work. Pay Close Attention to Time. How you prepare for a take-home exam depends in part on how much time you have: Take-homes of 8 hours or less. If you've got 8 hours or less to do your take-home, it's basically an open-book, in-class exam that you take elsewhere.

hours long. 1L exams are not longer than 8 hours. Upper-level exams will be scheduled for a window of time with one hour of flexibility.

Take-Home Examination | NYU
School of Law

In an unrestricted exam, there is no limit on what can be brought into the exam room or take-home test. Make sure you know if your exam is restricted or unrestricted before taking the test. Memorization is largely unnecessary for an open book exam. However, this does not mean you do not need to study.
