Teaching Language as Communication - H. G. Widdowson ...
When communicative language teaching (CLT) was first introduced, the term communication in CLT was often misunderstood as conversation. As a result, there was a noticeable focus on speaking activities in language classrooms. Although conversations are a form of communication, communication is more than informal spoken language.

What is Communicative Language Teaching? | EduMaxi
Mills, 1999). In addition, teaching speaking skills is important in teacher education (McCarthy and Carter, 2001). Teaching has been regarded as an exciting adventure in which both the teacher and the students participate. The teaching philosophy includes basic communication approaches; (a) Passion and Communication.

IMPORTANCE OF COMMUNICATION IN TEACHING LEARNING PROCESS ...
Teaching is all about communication - listening, speaking, reading, presenting and writing. Teachers who hone their communication skills are prepared to instruct, advise and mentor students...

Why Is It Important for Teachers to Have Good ...
You'll also need to explicitly and deliberately teach many communication skills. Take for example the skills involved in summarizing a discussion. Your students need to know what a summary is. They may also need some sentence stems to scaffold summarizing a discussion ("The main points you raised were...," "In summary, we talked about...").

Teaching Communication Skills | Edutopia
Communicative language teaching, or the communicative approach, is an approach to language teaching that emphasizes interaction as both the means and the ultimate goal of study. Language learners in environments utilizing CLT techniques, learn and practice the target language through the interaction with one another and the instructor, the study of "authentic texts", and through the use of the language both in class and outside of class. Learners converse about personal experiences with partners

Communicative language teaching - Wikipedia
As a teacher in a beginners' language class, a lot of your work will involve informing students by sharing information. New vocabulary, verb conjugations, ways to write the language, presenting all this info can seem a stressful task, especially if you do not know how to speak their native language.
