The 10-Second Jailbreak by Mr. Eliot Asinof, 9780030010118, available at Book Depository with free delivery worldwide.

The incredible but true story of the most dramatic prison break of the century.

The late Eliot Asinof (1919–2008), renowned author of *Eight Men Out*, on which the movie version was later based, also wrote 14 other full length books, including 4 more on baseball. In addition, he produced countless articles, interviews, short stories, and screenplays in a writing career spanning over half a century. This is the first detailed critical study for both his baseball and non-baseball output. His entire oeuvre is explored, as well as pertinent themes, major characters and the current status of his literary reputation. A major addition to the scholarly work on this minor-league baseball player turned author.

True stories of prison breaks including those of Frank Abagnale, whose story is told in *Catch Me If You Can*; Henri Charrière who claimed to have escaped from the supposedly inescapable Devil's Island - the true story as opposed to his questionable memoir, *Papillon*; Bud Day, said to be the only US serviceman ever to have escaped to South Vietnam; the six prisoners who escaped from Death Row in Mecklenburg Correctional Center; and Pascal Payeret, the French armed robber who escaped not once, but twice from French prisons with the help of a helicopter.

Selected works by the muckraking journalist on subjects like San Francisco politics, the murder of Harvey Milk, and the Jonestown tragedy. From his galvanizing exposés in *Ramparts* magazine to his hand in inventing gonzo, Warren Hinckle upended twentieth-century investigative reporting and gave it new provocation and zest. In the first career-spanning collection of writings by this key figure of American journalism, *Ransoming Pagan Babies* contains an astonishing thematic sweep: Joseph Mitchell–esque portraits of old San Francisco and its characters; insightful reporting on conflicts in Selma, Northern Ireland, and Vietnam; forays into local politics; and piercing depictions of a Bay Area riven by inequality and assassination. Reading Hinckle drops the reader into the heart of history—and, just as importantly, it's fun. Hinckle wrote about his subjects with bluster, tenacity, heart, and a desire for adventure and justice. This book is the first to capture his swashbuckling energy and expansive talent in a single volume. “A much-needed, welcome gathering of work by the radical journalist and crusading author. . . . A pleasure for anyone who values lively prose.” —Kirkus Reviews, starred review

“A lively memoir . . . a first-hand work of cinema history . . . the testament of a pivotal figure in American moviemaking.” —Martin Scorsese The list of films Irwin Winkler has produced in his more-than-fifty-year career is extraordinary: *Rocky*, *Goodfellas*, *Raging Bull*, *De-Lovely*, *The Right Stuff*, *Creed*, and *The Irishman*. His films have been nominated for fifty-two Academy Awards, including five movies for Best Picture, and have won twelve. In *A Life in Movies*, his charming and insightful memoir, Winkler tells the stories of his career through his many films as a producer and then as a writer and director, charting the changes in Hollywood over the past decades. Winkler started in the famous William Morris mailroom and made his first film—starring Elvis—in the last days of the old studio system. Beginning in the late 1960s, and then for decades to come, he produced a string of provocative and influential films, making him one of the most critically lauded, prolific, and commercially successful producers of his era. This is an engrossing and candid book, a beguiling exploration of what it means to be a producer, including purchasing rights, developing scripts, casting actors, managing directors, editing film, and winning awards. Filled with tales of legendary and beloved films, as well as some not-so-legendary and forgotten ones, *A Life in Movies* takes

readers behind the scenes and into the history of Hollywood. "Charming and anecdote packed . . . popcorn for movie nerds." —Newsweek "A deftly written recollection of an eventful and happy life in a precarious and, frankly, insane business; a remarkably clear-eyed look behind the scenes of moviemaking." —Kevin Kline

Explores hacking the iPhone and iPad; provides practical information on specific security threats; and presents a discussion of code level countermeasures for implementing security.

This work covers Bronson's entire output in film and on television, and includes many film stills and photographs. Alphabetical entries list film or episode, complete cast and credits, and year of release. Accompanying each entry's plot synopsis and discussion is a survey of the critical responses to the work. The great Charles Laughton once said Bronson "has the strongest face in the business, and he is also one of its best actors." Pretty high praise for an actor who, though loved by fans worldwide, has been consistently underestimated by critics. Bronson's career has spanned five decades, from such television appearances in *The Fugitive*, *Rawhide*, *Bonanza* and *Have Gun, Will Travel* as well as the telemovie *A Family of Cops* (1995) and its two sequels. He will long be remembered for his role as urban vigilante Paul Kersey in the *Death Wish* films. Bronson is one of the most enigmatic, and also most recognizable, of all film stars.

An ALA Top Ten Best Graphic Novel for Children The second book in this graphic nonfiction series about real FBI cases is a gripping account of an escape from Alcatraz, the infamous island prison. CASE NO. 002: THE ROCK June 12, 1962 SAN FRANCISCO BAY, CALIFORNIA 7:18 A.M. A corrections officer at Alcatraz Federal Penitentiary tries to awaken inmate AZ-1441, Frank Morris. But when he shakes the unresponsive man, his head rolls off the pillow and crashes to the floor! Soon the guards realize that Morris and two other inmates, brothers John and Clarence Anglin, had done the seemingly impossible: escaped from the notorious island prison. This is the incredible true story of the daring and inventive escape and a decades-long manhunt in a case that remains unsolved to this day. Comics panels, reproductions of documents from real FBI files, and photos from the investigation combine for a thrilling read for sleuths of all ages. This entry in the *Unsolved Case Files* series is just as compelling as the first book, *Unsolved Case Files: Escape at 10,000 Feet*, which Kirkus praised as "compulsively readable."
