Black men suffer more than any other racial or sexual group in America. They have the lowest standards of living, shortest life expectancies, highest incarceration rates and suffer other sociological and economic ailments. However, for the past 50 years virtually NO PROGRESS has been made in improving the lives of black men. We have to admit what we've been trying has failed and black men have paid the price. And it's time for that to change. Life is too short and too precious to live it under poverty, making only 67% of what white males do. Fathers and husbands are too important to be replaced by a government check, ruining families in the process. And futures too vital not to be lived

What is romance? There is no definitive description of romance except what one perceives from watching others. Where does romance begin? It actually begins with responsibility; men and women have to be responsible for themselves and their actions to effectively be called a man or a woman. How does romance play a part in our society? It allows us to take the time to get to know each other on many intimate levels without demeaning one another. It opens the lines of communication and forces us to talk to each other and dispense with name-calling and character assassination. Romance is a derivative of love (Eros) and in many ways

we've confused love for other things that complicate relationships. We've allowed our focus to be distracted causing romance to take a back seat. The Black Man's Guide to Romancing the Black Woman is a common sense approach to dealing with such issues and hopefully making romance a priority in our relationships .again.

For many, college is their first chance at life without a guide or instruction manual. There is great room to succeed--as well as fail. How can you approach your college career with the right tools, insights, and tips to succeed? In Higher Hopes, the author meticulously covers every aspect of your college journey from academics to relationships to studying abroad to dealing with race and class issues. Far from telling you to just do your homework and obey the rules, Higher Hopes outlines the hidden lessons and sometimes painful learnings that can make college not only an accomplishment but a triumph.

When a police officer pulls over a male African American driver, the result is usually an arrest. In most cases, the charges have nothing to do with motor vehicle violations, and everything to do with racial profiling, and how the driver conducts himself. A Black Man's Guide to Law Enforcement in America tells you everything you need to know about dealing with racial bias among those bound to serve and protect. You'll learn...how to avoid getting stopped in the first place what to say when questioned, and how to say it what you'll need to prepare for a court case how to handle yourself in court...and much more Know the law, and know how to protect yourself. Armed with the information from this guide, you'll have a far better chance of emerging unscathed when "driving while black."

Provides advice for African Americans in succeeding in a predominantly white-controlled society
