still be there.

In recent years the term ‘ climate change ’ is very rarely out of the news. Some people get very emotional about it, many look for someone to blame, some dismiss it, some protest about it, and some say and do nothing. But what is climate

# Read PDF The Global Warming Survival Guide

change and what if anything can we do about it. This book looks at a simplistic approach to tackling climate change by looking at Carbon Neutrality which makes up the largest part of climate change, and if followed will actually achieve more than just words and protests. Carbon Neutrality is one of the most talked about topics on

# Read PDF The Global Warming Survival Guide

the planet, and let face it despite some peoples opinion it is here to stay and the population of the world have to discuss it and change their lifestyles to become carbon neutral. Through this book we look at what Carbon Neutrality is and how we can live with it by making changes to the way we live, some might say making

# Read PDF The Global Warming Survival Guide

sacrifices, I believe it is about simple survival. But creating carbon neutrality can only be effective if it is done by everyone. And not just a few ‘do gooders’.
