Highland Guard Series by Monica McCarty

I love the highland guard novels, they are all well written and are basically about boy meets girl and marries. But every book is different and never gets boring. Lots of detail and great characters. THE HUNTER is as well put together as the first of the series. I always look forward to the next book, would recommend this whole series to anyone who likes highland romances.

RITA Finalist for Historical Romance Scotland's King Robert the Bruce is retaking his kingdom from the invading English. To win, he'll need all the grit and courage of his elite band of warriors, the Highland Guard, men who fight without fear and love without limits. Fiery, aggressive, and bold, Kenneth Sutherland is a true champion—skilled with any weapon and driven to win. Now Kenneth is ready for his greatest challenge: joining Robert the Bruce's secret army to fight among the elite. Kenneth's best chance to attain that honor is by winning the Highland Games. Focused and prepared for victory, he is caught off guard by a lovely wisp of a woman—and a stolen moment of wicked seduction. Her innocent arousal and her shameless hunger fire his blood. He will win his place in the guard—and in Mary of Mar's bed. The ruggedly handsome hero-in-the-making stirs a heart that should know better. Mary vows that her surrender will be sport only—no promises, no heartbreak, just one night of incredible passion. Nothing, she swears, will persuade her to give up her hard-wrought independence and put her fate in the hands of another powerful man. But with every gentle touch and heart-pounding kiss, Kenneth makes her want more. Now Mary wants his heart. But is this determined champion willing to surrender everything for love?

Chosen to help Robert the Bruce in his quest to free Scotland from English rule and claim his crown, the legendary team of warriors known as the Highland Guard battles on. Embedded deep behind enemy lines, Arthur "Ranger" Campbell is prized for his razor-sharp senses and his ability to blend into the shadows. But when Arthur infiltrates the clan of the chieftain who murdered his father, his heart is locked on revenge. Inside he faces unexpected resistance from the sweetest of obstacles—a honey-haired siren who is his enemy's daughter. Intrigued by this ruggedly handsome newcomer to her father's forces, the vivacious, enchanting Anna MacDougall is a woman whose skill at uncovering deception rivals Arthur's own. Though yearning for a quiet life with a good man to love, Anna is drawn to this mysterious knight whose eyes devour her but whose words push her away. As danger, treachery, and the threat of looming war draw them closer into each other's arms, a warrior made of steel must make a choice from the heart: love or revenge.

NATIONAL BESTSELLER • After consolidating his gains against the enemy English, King Robert the Bruce of Scotland sends his best soldiers to fortify the lawless borders. These legendary warriors of the Highland Guard let nothing come before king and country—except the calling of their heart. Of all Bruce's elite warriors, Robert "Raider" Boyd is the most formidable. A true patriot whose bare hands are a deadly weapon, Robbie is the fierce enforcer of the Guard, and his hatred of the English has been honed to a razor-sharp edge. But vengeance proves bittersweet when his enemy's beautiful sister falls into his hands and he finds himself fighting temptation—a battle he badly wants to lose. Lady Rosalin Clifford barely recognizes the rebel prisoner she saved from execution six years ago. Though her girlish ideals for fairness have matured into a passion for justice, Rosalin believes she betrayed her brother when she helped this dangerous man escape. Now her traitorous act has come back to haunt her. But she can't deny the longing this tormented warrior ignites in her, or deny the passion that turns sworn enemies into lovers. Is the gentle love of a true English Rose enough to free Scotland's most brutal warrior from a path of vengeance—before it's too late? Praise for The Raider "McCarty's latest Highland Guard novel is a deeply moving and delightful read . . . once again proving that McCarty is a master storyteller."—RT Book Reviews "Monica McCarty is an absolutely superior author! Her Highland Guard series has to be one of the absolute best Highland series out there! Fun, fast paced, fact driven and totally fantastic!"—Bodice Rippers "A powerful tale of love, woe, hardship and the power of true love . . . If you enjoy Scottish warriors, Medieval Scotland, romance, and passion, then you will enjoy The Raider. . . . A must-read!"—My Book Addiction Reviews "If you are a fan of historical romance, or any romance for that matter, you will want to not only read The Raider, but the entire Highland Guard series. It is just that good!"—Coffee and Characters "A stimulating romance with a rich historical setting, a conflict to put you on your toes, and a love story to pull at the heart strings . . . well done!"—Addicted to Romance

AN ELITE FIGHTING FORCE UNLIKE THE WORLD HAS EVER SEEN . . . Scouring the darkest corners of the Highlands and Western Isles, Robert the Bruce handpicks ten warriors to help him in his quest to free Scotland from English rule. They are the best of the best, chosen for their superior skills in each discipline of warfare. And to lead his secret Highland Guard, Bruce chooses the greatest warrior of all. The ultimate Highland warlord and a swordsman without equal, Tor MacLeod has no intention of being drawn into Scotland's war against the English. Dedicated to his clan, the fiercely independent chief answers to no one—especially not to his alluring new bride, bartered to him in a bid to secure his command of the deadliest fighting force the world has ever seen. The treacherous chit who made her way to Tor's bed may have won his hand, but she will never claim his heart. Although her husband's reputation is as fierce as his manner, Christina Fraser believes that something softer hides beneath his brutal shell. But the only warmth she feels is in their bed, in glorious moments of white-hot desire that disappear with the dawn. When Christina's reckless bid to win her husband's love goes awry and thrusts them into danger on the eve of war, Tor will face his ultimate battle: to save his wife and to open his heart—before it's too late.

When the woman he has loved for years come to him for help in rescuing her brother from the hands of the English, Thomas MacGowan, a man-at-arms in Edward Bruce's army, vows to prove to Elizabeth Douglas that he is worthy of her hand.

1314. Joan Comyn swore allegiance to Robert the Bruce after the English tortured her mother. Now she uses her beauty to ferret out secrets and has become the most wanted spy in England. Alex Seton once stood with Bruce, but now fights for England and is determined to uncover "the ghost's" identity.

Robert the Bruce consolidates lands and loyalty in a bold war for Scotland's independence, as his elite team of warriors, the Highland Guard, fight for king, country . . . and love. Magnus MacKay is the ultimate Highlander: tough, proud, able to master any terrain and to best his enemies. Called "the Saint" for his refusal to discuss women, as well as for his cool and steady leadership, Magnus hides a painful truth. It isn't virtue or piety that keeps him silent, but a wound of love and loss that cuts so deep he cannot bear to speak of it. But when the woman who refused him is betrothed to his friend and fellow Guardsman, Magnus is tested by love's battle cry. A wild and innocent beauty, Helen chose family duty over her desire for Magnus. Now the anger in his eyes mirrors the tormented regret in her heart. But as deadly subterfuge stalks the King and his Guard, Helen vows to right her youthful mistakes with a woman's determined spirit. Still, Magnus harbors secrets and an iron will not to weaken to temptation—or heartache—again. But as danger looms, it's the kiss not of a saint, but of a sinner, that can save them.

Blaming her—and himself for trusting her—for the disaster that led to the death of Bruce's two brothers, Eoin cuts her out of his heart and leaves her behind with no intention of ever coming back. But when Bruce puts him in charge of conquering the troublesome southwest province of Galloway—ruled by his wife's father—Eoin reconsiders. Especially after he learns that his treacherous wife who thinks him dead plans to remarry. That's one wedding he has no intention of missing.
