existentialist
vocabulary and
themes. His main
character's

loaded with such
expressions as c

are sometimes

are not just

words, that
Ludvik uses in
his narrative,
they are also
made themes in
themselves as
well as
reoccurring
motifs - for
example that of
the 'destruction
of façades'.
These themes are
important, from

Download Free The Joke Milan

Kundera

the very
beginning as we
have the basic
condition of
someone

'crossing the
border', which
is not

altogether
dissimilar to
Roquentin's
predicament in
Sartre's La
Nausée. All

Download Free The Joke Milan

Kundera, that
Kundera's
characters find
themselves in
are existential,
too, in such a
way, that they
require choices
and a wholly new
perspective on
the past after
the destruction
of old value
systems. It is

Download Free The Joke Milan

Kundera
therefore
obvious that
existentialist
ideas must have
influenced and
inspired
Kundera, and as
Existentialism
is in itself a
philosophy that
focuses greatly
on perception
and the
possibility of

Download Free The Joke Milan

self-knowledge,
one could even
propose to say,
that its ideas
are always also
central to
modern novel
writing
especially when
we look at
psychological
novels and first-
person
narratives.

Download Free The Joke Milan

However, (I would argue that) The Joke is by no means an existentialist novel, as its approach to ideas is by no means direct, but playful as well as critical. This is why it is impossible, to

Download Free The Joke Milan

Kundera, for example, the novel reflects on the nature of self-deception, and its main character is in 'bad faith'.

Such an approach, does not do the novel justice, and at this point it may well be

Download Free The Joke Milan Kundera

remembering,
that its author,
too, resists
such an attempt:
"My disgust for
those who reduce
a work to its
ideas: my
revulsion at
being dragged
into what they
call
'discussions of

Download Free The Joke Milan

Kundera. 'My
despair at this
era befogged
with ideas and
indifferent to
works.'" (Art of
the Novel, p.
131). Now, let
me first quickly
define, what I
understand by
'existentialist
novel' before we
can then look at

Download Free The Joke Milan

Kundera a few actual passages and maybe reach the above verdict. Existentialists, like Sartre, have always used fiction to convey their ideas. According to Edith Kern, Simone de Beauvoir even thought of the

Download Free

The Joke Milan

Kundera as the most appropriate means of presenting existentialist thought: "The novel seemed to her [Simone de Beauvoir] particularly suited to the expression of existential insights which

Download Free The Joke Milan

Kundera
would seem
contradictory if
they were to be
presented
categorically
and
systematically."

Milan Kundera's
sixth novel
springs from a
casual gesture
of a woman to
her swimming

Download Free The Joke Milan

Kundera, a
gesture that
creates a
character in the
mind of a writer
named Kundera.
Like Flaubert's
Emma or
Tolstoy's Anna,
Kundera's Agnes
becomes an
object of
fascination, of
indefinable

Download Free The Joke Milan

Kundera. From that character springs a novel, a gesture of the imagination that both embodies and articulates Milan Kundera's supreme mastery of the novel and its purpose; to explore thoroughly the great, themes of
