Death is inescapable
in the wild. Blackthorn's army marches toward the Ancient City as power struggles ensue in Brighton. Several outcasts gather in the collapsed world of the Ancients. Will they find answers and survive, or will they perish?

They were dead. All of them. In the wake of a massacre, Ella, Bray, and William flee into the wild, hoping to escape the brutal vengeance of an unforgiving leader. In Brighton, political and economic tensions boil. Famine is approaching. The monsters are amassing. And a costly decision must be made, one that will threaten the lives of humanity's last survivors...

When the light of the human species vanished, there was a girl... and a spark. A century has passed since they arrived. Human history has been erased. Children are enslaved on Alien plantations. Some have heard whispers of the existence of a rebel band of humans who roam free in the forests. Most slaves dare not speak of the rebels for fear the mutant guards will grab and make an example of them. Seventeen-year-old Freya is pulled away in the night not by the mutants, but by her old friend Finn, to join the Saviors, the mythic band of rebel teens. Her bliss fades when she discovers she is the only Savior without a special ability. She is the odd one out, slowly pushing Finn away, defying Damian, the leader of the Saviors, and antagonizing the fierce and beautiful Daphne. In her despair Freya reaches deep

Absent Rebels: Criticism and Network
Power in 21st Century Dystopian Fiction
focuses on the relationship between
literary dystopia, network power and
neoliberalism, explaining why rebellion
against a dystopian system is absent in so
many contemporary dystopian novels.
Also, this book helps readers understand
modern power mechanisms and shows

ways how to overcome them in our own
daily lives.

A wickedly satirical and outrageous thriller about globalization and marketing hype, Jennifer Government is the best novel in the world ever. "Funny and clever.... A kind of ad-world version of Dr. Strangelove.... [Barry] unleashes enough wit and surprise to make his story a total blast." --The New York Times Book Review "Wicked and wonderful.... [It] does just about everything right.... Fast-moving, funny, involving." --The Washington Post Book World Taxation has been abolished, the government has been privatized, and employees take the surname of the company they work for. It's a brave new corporate world, but you don't want to be caught without a platinum credit card--as lowly Merchandising Officer Hack Nike is about to find out.

Trapped into building street cred for a new line of \$2500 sneakers by shooting customers, Hack attracts the barcode-tattooed eye of the legendary Jennifer Government. A stressed-out single mom, corporate watchdog, and government agent who has to rustle up funding before she's allowed to fight crime, Jennifer Government is holding a closing down sale--and everything must go.

The Soldiers Are Coming! Safe Haven has grown too powerful to be ignored any longer. The remaining government wants all survivors secured for their own use or eliminated, and they couldn't have chosen a better time to reemerge from their dystopian holes. Safe Haven has a new leader and a long list of challenges to overcome in their fight for survival. Adrian's condition is critical, the camp isn't ready to accept the existence of

magic, Mother Nature still has them in her crosshairs, and they are low on food, water, and fuel. The next eight weeks will be the hardest they've gone through yet, and it may still not be enough to ensure their survival. Can they bring the pieces together in time?

A land ravaged by war without end. Cities gutted by weapons of mass destruction. Countries laid waste by biological warfare. Governments ruined by greed, violence, and corruption. This is a world in the throes of economic decay and at the mercy of terrorists. This is Asia. This is Europe. This is America. This is Final Blackout. Across this devastated, post-apocalyptic landscape marches one extraordinary soldier and his band of brothers. He is the Lieutenant, a hardened military strategist and a charismatic leader of men. The narrow-minded high command may have

relieved the Lieutenant of duty, but not of his honor—and his crack unit of warriors remains fiercely loyal to him. Now, in a time of deception, desperation, and betrayal, they are headed into the ultimate battle against the ultimate enemy—their own treacherous leaders. But for the Lieutenant, a hero at the crossroads of history, it is time to do what is best for his country and for his men—to undertake one last act of courage and sacrifice ... the Final Blackout. "As perfect a piece of science fiction as has ever been written."
"Robert A. Heinlein "Compelling ... riveting ... Hubbard's best." "Publishers Weekly
