Nürnberg Rally, German Nürnberger Parteitage, English Nürnberg Party Meetings, any of the massive Nazi Party rallies held in 1923, 1927, and 1929 and annually from 1933 through 1938 in Nürnberg (Nuremberg) in Bavaria. The rallies were primarily propaganda events, carefully staged to reinforce party enthusiasm and to showcase the power of National Socialism to the rest of Germany and the world.

*Nürnberg Rally | Nazi Party rallies | Britannica*

The Nazi Party Rallies, held in Nuremberg from 1933 to 1938, serve primarily as a setting to show off the regime and Adolf Hitler, to orchestrate the concept of a "Volksgemeinschaft," and to arouse popular enthusiasm for war. Yet these events, which last up to eight days, are only one highlight in the National Socialist year.

the Nazi cause.

This book describes the background to and the development of the Nazi Party Rallies held at Nuremberg each September from 1933 to 1939. These Reichsparteitage (National Party Days) were vast and meticulously staged managed extravaganzas in which ritual and ceremony played an important part. The Rallies had two key objectives. The first was to focus public attention on the successes of the Nazi Party and connect with the public conscience and build a close bond between Party and people. Even more important was the Rallies role in presenting Adolf Hitler as the savior of the German nation sent to restore national pride, power and prosperity after the shame and economic disaster of the post war years and the deeply resented Versailles Treaty. The Hitler Cult was blatantly promoted with revolutionary use of propoganda by the latest technology and iron control of the media. Using the authors superb collection of postcards and images, The Nazis Nuremberg Rallies takes the reader on a visual journey through each years Reichsparteitage. A truly fascinating way to understand this uniquely successful and threatening phenomena.

This book is an up-to-date, illustrated investigation into the notorious Nuremberg rallies and the part they played in the

Nazi's quest to establish their vaunted 1,000 Year Third Reich. Between 1923 and 1938 the Nazis held ten 'Reich National Party Conventions' in the city of Nuremberg. Each rally was bigger than the last, with the number of visitors growing to over half a million, and this growth reflected the spread of National Socialism across Germany. This book explores how the rallies were organized, what the daily schedules were, who spoke at them and who attended. The development of the Rally Grounds under Albert Speer's direction is also explored. The importance of the rallies in Joseph Goebbels' propaganda campaign is dealt with as well as the story of Leni Riefenstahl's filming of the rallies, in particular the Triumph of the Will in 1934.

The classic history of Adolph Hitler's rise to power and his dramatic defeat

# Access Free The Nuremberg Rallies

A Major Study of One of the Twentieth Century's Darkest Periods Until now there has been no up-to-date, one-volume, international history of Nazi Germany, despite its being among the most studied phenomena of our time. The Third Reich restores a broad perspective and intellectual unity to issues that have become academic subspecialties and offers a brilliant new interpretation of Hitler's evil rule. Filled with human and moral considerations that are missing from theoretical accounts, Michael Burleigh's book gives full weight to the experience of ordinary people who were swept up in, or repelled by, Hitler's movement and emphasizes international themes—for Nazi Germany appealed to many European nations, and its wartime conduct included efforts to dominate the Continental economy and involved gigantic population transfers and exterminations, recruitment of foreign labor, and multinational armies.
