The Prisoner Society should, however, also be read by scholars whose research is not centred on prisons, but which, nonetheless, touches on the 'big themes' of this book: the transformation and exercise of penal power in late-modern contexts, and the ways in which that power is experienced by individuals caught in the penal net. At £60 (it is currently available only in hardback) this book is a significant investment, but it will not disappoint.

Abstract. While the use of imprisonment continues to rise in developed nations, we have little sociological knowledge of the prison's inner world. Based on extensive fieldwork in a medium-security prison in the UK, HMP Wellingborough, this book provides an in-depth analysis of the prison's social anatomy. It explains how power is exercised by the institution, individualizing the prisoner community and demanding particular forms of compliance and engagement.
