The Time Of The Doves (also translated as The Pigeon Girl or In Diamond Square; original Catalan-language: La pla \u00e7 a del Diamant, that is Diamond Square) is a 1962 novel written by exiled Catalan writer Merc \u00e8 Rodoreda. It is notable for its use of stream of consciousness. The book is named after a square in Barcelona's Gr \u00e0 cia district.

The Time of the Doves - Wikipedia

She is considered by many to be the most important Catalan novelist of the postwar period. Her novel \"La pla \u00e7 a del diamant\" ('The diamond square', translated as 'The Time of the Doves', 1962) has become the most acclaimed Catalan novel of all time and since the year it was published for the first time, it has been translated into over 20 languages.

The Time of the Doves by Merc \u00e8 Rodoreda - Goodreads

Time of the Doves tells the story of a young woman who marries the wrong man and ends up dealing with a life of poverty, naughty children... and birds. Eventually things change, but her life is definitely not one to envy. Good Stuff - It is at times humorous and a bit random, but in a charming (not annoying) way.

The Time of the Doves: Amazon.co.uk: Merce Rodoreda, David ...

Merce Rodoreda ' s Breathless Narrator in The Time of the Doves. May 28, 2012 by Isla McKetta, MFA Leave a Comment. The narrative voice in Merce Rodoreda ' s novel, The Time of the Doves, wraps the reader in the dizzying world of a young woman. Through first person narration and the use of stream of consciousness, Rodoreda places the reader inside the head of Natalia as life happens to her.

The Time of the Doves - Merc \u00e8 Rodoreda - Book Review

The Time of the Doves, the powerfully written story of a na \u00ed ve shop-tender during the Spanish Civil War and beyond, is a rare and moving portrait of a simple soul confronting and surviving a convulsive period in history. The book has been widely translated, and was made into a film. Genre: Literary Fiction

The time of the doves: A novel: Amazon.co.uk: Merce ...

The Time of the Doves (1962) is deeply moving. The basic story is familiar. An impending conflict looms large. An ordinary shop assistant, Natalia, meets and falls in love with a man, Quimet. He is controlling and somewhat abusive, she fails to notice and, of course marries him. War, the Spanish Civil War, breaks out.

The Time of the Doves \u2013 Merc \u00e8 Rodoreda \u2013 Kinna Reads

In this section of The Time of the Doves, Rodoreda begins by describing the Majorcan-style chair that Quimet has made, and how Natalie must be sure to polish the chair every Sunday \u2013 the day that they were \" going to make a child \" on (49). Natalia was scared to tell Senyora Enriqueta that she and Quimet had a \" wedding week \" (49), and that she cried at first because she was scared that Quimet would \" rip her open \" (51).

The Struggle to Find a True Identity. Time of the Doves documents the personal struggles of a woman during the devastating times of the Spanish Civil War. I believe the central themes of the novel are the character trying to find her true identity, and women being silenced and oppressed in society.

From the acclaimed author of Purge ( " a stirring and humane work of art " —The New Republic) comes a riveting, chillingly relevant new novel of occupation, resistance, and collaboration in Eastern Europe. 1941: In Communist-ruled, war-ravaged Estonia, two men are fleeing from the Red Army—Roland, a fiercely principled freedom fighter, and his slippery cousin Edgar. When the Germans arrive, Roland goes into hiding; Edgar abandons his unhappy wife, Juudit, and takes on a new identity as a loyal supporter of the Nazi regime . . . 1963: Estonia is again under Communist control, independence even further out of reach behind the Iron Curtain. Edgar is now a Soviet apparatchik, desperate to hide

the secrets of his past life and stay close to those in power. But his fate remains entangled with Roland ' s, and with Juudit, who may hold the key to uncovering the truth . . . Great acts of deception and heroism collide in this masterful story of surveillance, passion, and betrayal, as Sofi Oksanen brings to life the frailty—and the resilience—of humanity under the shadow of tyranny. This eBook edition includes a Reading Group Guide.

Louise Erdrich's mesmerizing new novel, her first in almost three years, centers on a compelling mystery. The unsolved murder of a farm family haunts the small, white, off-reservation town of Pluto, North Dakota. The vengeance exacted for this crime and the subsequent distortions of truth transform the lives of Ojibwe living on the nearby reservation and shape the passions of both communities for the next generation. The descendants of Ojibwe and white intermarry, their lives intertwine; only the youngest generation, of mixed blood, remains unaware of the role the past continues to play in their lives. Evelina Harp is a witty, ambitious young girl, part Ojibwe, part white, who is prone to falling hopelessly in love. Mooshum, Evelina's grandfather, is a seductive storyteller, a repository of family and tribal history with an all-too-intimate knowledge of the violent past. Nobody understands the weight of historical injustice better than Judge Antone Bazil Coutts, a thoughtful mixed blood who witnesses the lives of those who appear before him, and whose own love life reflects the entire history of the territory. In distinct and winning voices, Erdrich's narrators unravel the stories of different generations and families in this corner of North Dakota. Bound by love, torn by history, the two communities' collective stories finally come together in a wrenching truth revealed in the novel's final pages. *The Plague of Doves* is one of the major achievements of Louise Erdrich's considerable oeuvre, a quintessentially American story and the most complex and original of her books.

The narrator, a fourteen-year-old boy, describes the cruel customs of a village, including the horrible death of his father, and spends time with a prisoner who explains the strange events in the village.

The author recalls his childhood in the mountains and valleys of California with his farmworker parents who inspired him with poetry and song.

Vivid and enthralling, *Island of the Doves* tells the story of two women in early nineteenth century America—one typical of her time, one extraordinary for it—who transform each other ' s lives. Susannah Fraser lives in one of Buffalo ' s finest mansions, but her husband has made it a monstrous prison. When a mysterious woman offers to help her escape, Susannah boards a steamboat for Mackinac Island. But after being a dutiful daughter and obedient wife, it is only as she flees that she realizes how unprepared she is for freedom. An exceptional woman of early America, Magdelaine Fonteneau has overcome convention to live a bold and adventurous life, achieving great wealth and power as a fur trader. But Magdelaine has also seen great tragedy and lost all that was dear to her, and she is no longer sure her hardened heart is capable of love. Now, Magdelaine seeks redemption by offering safe harbor to Susannah. But as their friendship grows into something miraculous, it changes each woman in unexpected ways. Each needs to learn to love again, and only together can they realize a future bright with the promise of new life...

In its moment of great splendor the novel was held as a mirror of society: Merc\_ Rodoreda shatters that mirror in this, her most ambitious novel, which tells its story in brilliant fragments, a vision reflected and refracted and finally coming together in a richly articulated mosaic of life. Through this *Broken Mirror*, the reader sees events and characters spanning three generations and composing a kaleidoscopic family history ranging over six decades and turning upon events both intimate and historic?most notably the Spanish Civil War. Opening with Teresa Goday, the lovely young fishmonger's daughter married to a wealthy old man, the story shifts from one perspective to another, reflecting from myriad angles the founding of a matriarchal dynasty?and its eventual, seemingly inevitable disintegration. A family saga extending from the prosperous Barcelona of the 1870s to the advent of the Franco dictatorship, *A Broken Mirror* is finally also a novel about the inexorable passing of time.

A journalist who's uncovered a corrupt alliance between a U.K. bank, the arms trade, and the government is accused of fabrication. "An unforgettable crime novel." — *The Sunday Times* (U.K.).
