THE ELEMENTS OF CREATIVE AND EXPRESSIVE ARTISTRY identifies the nine root

elements common to all artistic disciplines. Whether you are a writer, visual artist, or a performer, learning these root elements will help you unlock your full artistic potential and create art that is more expressive, dramatic, and engaging. Hundreds of relevant art examples, citations, and quotations from prominent ...

The Ukrainian-born chef presents “a gorgeous love letter to the food of her homeland” with this vibrant and varied collection of recipes (SAVEUR). In *Mamushka*, Olia Hercules takes readers and home cooks on a culinary tour of Eastern Europe—from the Black Sea to Baku, Kiev to Kazakhstan. This beautifully illustrated cookbook features more than one hundred recipes for fresh, delicious, and unexpected dishes from this dynamic and often misunderstood region. Olia Hercules was born in Ukraine and lived in Cyprus for several years before moving to London and becoming a chef. In this gorgeous and deeply personal cookbook, she shares her favorite recipes from her home country with loving stories about her culinary upbringing and family traditions. “Forget what you think you know about Ukrainian food; with Olia Hercules, it's fun and colorful.” —Epicurious

Embark on the enchanting culinary journey and experience the culinary delights of the Sicilian diet. Join Sicilian cook, writer, and photographer Cettina Vicenzino as she shares more than 70 authentic and mouth-watering recipes from this unique Mediterranean island. While only a few miles from Italy, Sicily's heritage is proudly distinct from that of the mainland, favoring dishes packed with spices, citrus fruits, cheeses, olives, tomatoes, eggplants, and seafood. Featuring three strands of Sicilian cooking - *Cucina Povera* (peasant food), *Cibo di Strada* (street food), and *Cucina dei Monsù* (sophisticated food) - alongside profiles on local chefs and food producers, *The Sicily Cookbook* invites you to discover the island's culinary culture and let your summer cooking burst with Mediterranean sunshine.

This book presents to an American audience the cuisine of Liguria—the Italian Riviera—full of dishes that are inventive, inherently seasonal, waste-conscious, plant-forward, and geared toward the home cook. Italian cuisine never goes out of style. Yet while many are familiar with various regional cuisines of Italy, one of its most gastronomically rich regions has been largely overlooked: Liguria, home of focaccia, pesto, and the Cinque Terre. Award-winning author and food writer Laurel Evans has been immersed in the cuisine of Liguria for 15 years, ever since her Italian boyfriend (now husband, and the photographer for this book) brought her to his family's hillside villa in Moneglia on the Mediterranean coast. There, Evans immersed herself in kitchens, restaurants, and markets, building relationships with the chefs, shopkeepers, producers, and nonne who drive the local cuisine. This book showcases all that she discovered: a cuisine that is beautiful but humble, plant-based and waste-conscious at its core, with a particular spirit and history that she unravels for readers new to the region. From the ultimate pesto, to the definitive focaccia recipe coaxed out of local bakers, to recipes for lesser-known Ligurian specialties like *Capon Magro*, *Liguria: The Cookbook* offers readers a personal journey into the heart of the cuisine of this timeless yet ever-evolving region.

A fresh take on one of the world's most adored cuisines – much-loved classics with creative twists for today's cooks Big Mamma's Cucina Popolare puts a clever contemporary spin on tradition featuring more than 120 delicious, easy-to-prepare, imaginative recipes. Created in collaboration with one of the most exciting and successful Italian restaurant groups in the world, the dishes in this vibrant and accessible book include true classics such as Risotto alla Milanese and Tiramisù, while others reflect the most creative Italian food today, with such intriguingly named dishes as Burrata Flower Power and Double Choco Love. The one thing that unites them all is that everything enjoys a fresh and modern twist - making this the perfect collection of recipes for a new generation of food lovers and Italophiles.

The definitive, home cooking recipe collection from one of the most respected and beloved culinary cultures Japan: The Cookbook has more than 400 sumptuous recipes by acclaimed food writer Nancy Singleton Hachisu. The iconic and regional traditions of Japan are organized by course and contain insightful notes alongside the recipes. The dishes - soups, noodles, rices, pickles, one-pots, sweets, and vegetables - are simple and elegant.

Recipes and stories to learn all about Japan's food culture. Recipes, anecdotes, histories and stories, maps, techniques, stylings, utensils, native ingredients -- this is a colorful invitation to discover the look and aromas and flavors of Japan. How to make sushi? What is the traditional method of making miso soup? How do you make a full Japanese meal? What are the most frequently cooked dishes in the izakaya? How do you garnish and pack a bento box? Here are the answers in a charmingly, and beautifully, illustrated paperback book. From how to use Japanese knives, chopsticks and cooking vessels, to familiar and unusual seafood (and seaweed!), Japanese vegetables, fruits and soy, the illustrations are clear, atmospheric and empowering. The text runs from ingredients and places to buy them, to simple dishes and whole meals. The design is really fun, and this is a handbook every cook will want to own -- or give to friends and family.
