Reviewer: Hilena3763 - favorite favorite favorite favorite favorite - May 21, 2020 Subject: wonderful books I have read most of the warrior cat books. I have a great idea for a new series. one idea is that there can be more than 5 clan so their will be multiple, its just that the all the clans dont live in the same area.

For generations, four Clans of wild cats have shared the forest according to the laws laid down by their warrior ancestors. But now the ThunderClan cats are in grave danger, and sinister ShadowClan grows stronger every day. Noble warriors are dying—and some deaths are more mysterious than others. Into the midst of this turmoil comes an ordinary house cat named Rusty ... who may turn out to be the bravest warrior of them all. Enter the world of Warriors with this great introduction to Erin Hunter` s best-selling series: Warriors #1: Into the Wild, Warriors #2: Fire and Ice, and Warriors #3: Forest of Secrets. In addition, this bundle includes bonus materials like trivia, territory maps, sneak peeks at other Warriors books, and a new short story from Erin Hunter.

Join the legion of fans who have made Erin Hunter` s Warriors series a #1 national bestseller—with new editions featuring a striking new look! More thrilling fantasy, fierce warrior cats, and epic adventures await in Warriors #3: Forest of Secrets. Allegiances are shifting among the Clans of warrior cats that roam the forest. With tensions so delicately balanced, friends can become enemies overnight, and some cats are willing to kill to get what they want. Fireheart is determined to find out the truth about the mysterious death of the former ThunderClan deputy Redtail. But as he searches for answers, he uncovers secrets that might be better left hidden. Supports the Common Core State Standards

In Book II, Tamras moved from her home into the lands beyond its border. In Book three, the stage widens further: she deals with the struggles of whole peoples. Caught up in intrigues that would once have been far above her, the heroine risks everything unless she can not only learn to swim in treacherous waters, but to master them. The heroine's inner journey continues to match her outer one. She must confront the meaning not only of personal love, but the love that extends beyond oneself and those we hold dear. Catherine Wilson's skill at tackling the big issues of love, meaning, and humanity is so deft that it all seemed, to me at least, to flow naturally from her narrative in a way I found technically quite breathtaking. ... --from a review by Charles Ferguson on the Goodreads website "Being the third and last volume in a series I enjoyed immensely, I knew that I could expect this last book to deliver a happy and satisfying ending. What I didn't expect was the intricate and daring storyline of this last volume. It is bigger and broader than what has come before, and it is spectacular. ... this time the story unfolds on to a whole new level. More characters, more intrigue, greater losses, wonderful reunions. ... There's no taking the easy road here-the story opened up into unimaginable dimensions to tell a tale that really is that of a hero. ...". When Women Were Warriors manages to blend mythic storytelling with characters who feel so real you could imagine stepping into the pages and having a conversation with them. A Hero's Tale skillfully weaves the questions of love, faith and fairness into a dramatic story; not only of a relationship between the main characters, but of a quest so much bigger it takes the breath away. There is everything you could wish for here - power struggles, forces for good and evil, dramatic tests of faith, daring rescues, fatal rivalry, but it is managed with such a deft hand that in the end it is all one beautiful story. What else is there to say? This is not just lesbian fiction, but a story about being human. It's not to be missed. --from a review by Kate Genet on the website, Kissed By Venus In Book III of the trilogy, Tamras must make her own hero's journey. She ventures into the unknown and encounters a more formidable enemy than any she has ever faced. Character is destiny, and the destiny of Tamras and all her people will depend upon choices that come less from the skills she has been taught than from the person she has become, from her own heart.

The first story arc in the #1 nationally bestselling epic series is now available as an ebook collection with striking new art! For generations, four Clans of wild cats have shared the forest, but now the balance of power is shifting and sinister perils threaten the peace. Into the midst of this turmoil comes an ordinary young house cat named Rusty...who may turn out to be the bravest warrior of them all. Includes: Warriors #1: Into the Wild Warriors #2: Fire and Ice Warriors #3: Forest of Secrets Warriors #4: Rising Storm Warriors #5: A Dangerous Path Warriors #6: The Darkest Hour Warriors: Enter the Clans

Discover the origins of the warrior Clans in this thrilling prequel to Erin Hunter` s #1 nationally bestselling Warriors series This ebook collection includes the first three books in the Dawn of the Clans prequel series, and is perfect for the collections of longtime Erin Hunter fans and readers new to the Warriors world. Long before Firestar came to ThunderClan, a band of cats from the mountains set off on a dangerous journey in search of a new home. But in this unfamiliar new world, great dangers await them....

Discover the secrets of Erin Hunter` s #1 bestselling Warriors series. Enter the world of the warrior Clans... In this two-in-one field guide, get an indispensable insider` s look at the world of the five warrior cat Clans. The perfect addition to any Warriors fan` s collection, this paperback special edition includes two companion books in one volume: Warriors Field Guide: Secrets of the Clans: Learn about the origin of the Clans, their history and legends, and the training, traditions, and rituals involved in the lifelong path of a warrior. Warriors: Code of the Clans: Discover the origins of the warrior code, which governs how Clan cats live side by side in times of war and peace, with untold stories from the Warriors world and beautiful black-and-white illustrations.

Before there is peace, blood will spill blood... New territory brings new troubles for the fierce cats of the warrior Clans, who are still uncovering the secrets of their new home around the lake. Dangers they have never faced before are lurking in the twilight shadows, and former allies are acting strangely hostile. As divisions between the Clans grow deeper, Firestar's daughters face troubling decisions. One is torn between loyalty to her calling and a forbidden love, while the other struggles with her best friend's betrayal and the surprising perils of the forest. The choices they make now could affect ThunderClan for generations to come. . . . and with an unexpected enemy preparing to attack, their courage and strength will be needed more than ever if the Clan is to survive.

Join the legion of fans who have made Erin Hunter` s Warriors series a #1 national bestseller! This box set—featuring striking new art—includes the first three books in the Warriors series and is the perfect introduction to the epic adventure and thrilling fantasy of the Warriors world. For generations, four Clans of wild cats have shared the forest according to the laws laid down by their warrior ancestors. But now the ThunderClan cats are in grave danger, and sinister ShadowClan grows stronger every day. In the midst of this turmoil appears an ordinary house cat named Rusty...who may yet turn out to be the bravest warrior of them all. Supports the Common Core State Standards

There will be three, Kin of you kin... Who hold the Power of the stars In their paws. A secret prophecy shapes the lives of Firestar's grandchildren, but only one of the three knows about it. Jaypaw is captivated by the power it promises, and he believes the key to that power may lie buried in the distant past -- with the ancient cats who once walked these woods and now prowl through his dreams. His search for answers leads him toward the mountains -- the home of the Tribe of Rushing Water. Lionpaw and Hollypaw feel drawn to the mountains too, for different reasons. But the mountains hide secrets as well as answers, and if the three cats find a way to get there, they may discover more than they ever expected.

Teenagers Dan and Ursula find themselves transported back to AD75 and caught in a civil war between ancient Britons and Romans in this fantastic time-slip adventure series.
