In Abyssinian poetry, the “ wax ” is the obvious meaning, the
“ gold ” is the hidden meaning. In Wax and Gold, Donald N.
Levine explores mid-to-late-twentieth-century Ethiopian society on
the same two levels, using modern sociology and psychology to seek
answers to the following questions: What is the nature of the
traditional culture of the dominant ethnic group, the Amhara, and
what are its enduring values? What aspects of modern culture
interest this society and by what means has it ...
