In 1991, Iris Johansen published a story called The Wind Dancer. Prior to this novel, all of her books had been romance novels that were part of the Loveswept series.. Although The Wind Dancer included romance in the story, there was also a significant element of suspense which helped introduce many new readers to Johansen's writing.

Wind Dancer - the model horse store

A cantankerous elderly lady is failing to care for her two Appaloosa horses. She may be going senile. So Ali and Cara sneak into the barn one night and find the horses are thirsty and starved. Reporting the matter to Nevada animal control, the teenage girls hope not to get into trouble. Ali McCormick doesn't want a horse after losing her beloved pony.
