talented actress. When a famous theatre school invites her to audition for a spot, Aida's friends and relatives are excited about the opportunity. Everyone has advice for her, but Aida must make her own decision about her future. Her Own Worst Enemy is part of the Integrated Skills Through Drama series that teaches speaking and communication skills through the performance of a one-act play. This flexible curriculum is perfect for a class project, elective course, or drama club. As students prepare to perform the play, they study intonation and pronunciation skills such as sentence and word stress for meaning. They learn about body language and gesture as ways to communicate. They analyze the script as a work of literature and also mine it for language and rhetorical strategies to encourage someone, give advice, tease a friend and respond to teasing and talking through an issue. And they learn to apply those strategies to their performance and to real-life situations. A variety of performance options are featured, including Reader's Theater. Background readings discussing the benefits of the Liberal Arts and STEM majors, as well as profiles of a computer programmer and an opera director round out the curriculum. A number of creative writing projects to rewrite the script, adapt the play, or even write a sequel allow you to extend the learning further. Your students will look forward to class with this innovative resource that utilizes drama in language teaching!

For fans of Andrew Smith and Frank Portman and the movies Election and Ferris Bueller's Day Off comes a hilarious and satirical novel about the highs and (very low) lows of the electoral process, proving that the popular vote is the one that matters most. Stacey Wynn was the clear front-runner for Lincoln High student council president. But then French-Canadian transfer student Julia Romero entered the race...and put the moves on Stacey's best friend/campaign adviser, Brian. Stacey also didn't count on Tony Guo, resident stoner, whose sole focus is on removing the school's ban of his favorite chocolate milk, becoming the voice of the little guy, thanks to a freshman political "mastermind" with a blue Mohawk. Three candidates, three platforms, and a whirlwind of social media, gaffes, high school drama, and protests make for a ridiculously hilarious political circus that just may hold some poignant truth somewhere in the mix.

"A practical, fascinating, and funny guidebook. I've already begun applying hints from Improvisation for the Spirit, and I'm hoping that from now on, when people point and laugh at me, it will be for more appropriate reasons. A delightful read, filled with wonderful strategies." — Martha Beck, Life Coach Columnist for O, The Oprah Magazine, and author of Steering by Starlight Wish you could gag your Inner Critic? Feeling blocked creatively? Want to make a big change, but fear taking the leap? Comedy improv requires quick thinking, collaboration, getting out of your own way, and being in the moment without being a perfectionist. Katie Goodman, an internationally touring improv comedian and comedy writer, uses her witty and encouraging style to show you how to acquire the skills of improv comedy and apply them to every aspect of daily life. Along the way Goodman shares hilarious and insightful stories from her experiences onstage, as well as step-by-step exercises from her popular self-discovery workshops and retreats. Packed with creative, original, and, most importantly, fun exercises, Improvisation for the Spirit offers a truly transformational guide for anyone wanting to get more out of life.

"Bottom line: Katie is funny. She teaches you to live your life like an improv scene - no fear and fully committed."— Wayne

Brady, improv comedian, *Whose Line Is It Anyway?* and *Don't Forget the Lyrics* "Katie Goodman's writing flows and then jumps with anecdotes and prescriptions for finding courage. Fun to read, hard to put down."— Lesley Stahl, *60 Minutes* "If you feel that something is holding you back, that the life you are meant to live is out there somewhere if only you could find it, then this book should go straight to the top of your reading list."— Carl Honore, author of *In Praise of Slowness* and *Under Pressure*

It has often been said that a smart man learns from his mistakes, whereas a wise man learns from the mistakes of others. Many people think that unfortunate things happen to them because that is the will of God. But in reality, unfortunate things sometimes happen because people simply do not listen. To that end, this book shares the experiences that became the author's teacher of lessons relating to life, love and mankind. Readers will be able to gain insight from these experiences in hopes of avoiding similar mistakes in their own lives.

This brief, accessible, and inexpensive supplement on American courts and their functions provides undergraduate, or first-year law students, with an understanding of the key substantive and procedural concepts that they need to know to study the law or the judicial process. Recognizing that there are many substantive and procedural concepts about American courts that students must first grasp in order to study the law or the judicial process, this brief text answers important questions about justiciability, standing, jurisdiction, and judicial power. With a stronger historical context, this text is a perfect complement to a text on Constitutional Law, Judicial Process, or a legal casebook, and will help students master the legal vocabulary with which they are confronted.

Teaching to Learn, Learning to Teach uniquely addresses three problems that frequently concern pre-service and beginning teachers: classroom control, satisfying state and federal mandates, and figuring out exactly what is the role of the teacher. Integrating practical, theoretical, and critical teaching considerations, it presents a model student-centered approach for designing lessons, developing personal connections with students, and building classroom communities: PRO/CLASS Practices (Planning, Relationships, Organization, Community, Leadership, Assessment, Support, Struggle). Pre-service teachers are encouraged to reinterpret the principles and continually redefine them as they develop their own reflective practice. Changes in the Second Edition □ Updates throughout with attention to the Common Core State Standards, high stakes testing, the possibilities and limitations of technology use in the classroom, and preparing for the job market □ Fully revised chapter on literacy □ New interviews with teachers □ Companion Website: Supplemental planning, teaching, and assessment materials; 32 extended essays including a number of the author's widely read Huffington Post columns; interviews with beginning and veteran teachers; Ideas for Your Professional Portfolio, Resume, and Cover Letter; Recommended Websites for Teachers

Tired of living a life of cycles? Do you seem to always end up going in circles? On top one day, the valley the next? If you

answered yes, you have chosen the right book. Pastor Reggie has been inspired by God's tools to help you break spiritual cycles and allow you to begin living a life filled with continued days of purpose and progress. He is not a preacher/teacher who believes in breakthrough without sacrifice, but a man who understands that a life lived in Christ is a life that is surrendered! "Man's Worst Enemy" contains more than 20 years of study and experience that are key to a purpose-driven life. Although primarily addressed to men, this book is a good read to help women better understand men, and it is applicable to their lives as well. This book is filled with substantive, doctrinal, insightful approaches to a life of restoration and fulfillment. Don't allow yourself to be your own worst enemy. Go get your life back!

Two top of the line modern warriors, both orphaned in childhood, hunt one another throughout the cities and jungles of Latin America. As their hunt progresses, both discover they have been lured into this contest by Jaguar, a great spiritual power of the Amazon. Their hunt for one another turns into an otherworldly spiritual ordeal orchestrated by magical powers of the Amazon, an ordeal in which the former methods and rules by which they have fought and survived as modern day warriors are useless. Both men are motivated by deep, unshakable love. John Ashbrook, ex Navy SEAL turned deep cover spy, is hunting for his missing mentor and best bud, Ronnie Bates. Bates is the only close tie Ashbrook has let in since his family died when he was a young boy. As Ashbrook tries to pick up Bates' trail, Bates begins appearing in Ashbrook's dreams, dropping clues that actually work in the real world. Bates' clues lead Ashbrook to Rafael Sanchez. Cast adrift on the harsh streets of Caracas Venezuela by the death of his parents at age 11, Rafael became a thief to provide for his 6 year old sister Maria. With his exceptional skills, athletic prowess and fierce courage Rafael rapidly shot up the ranks of the cartels, eventually becoming Pablo Escobar's top gun and right hand man. But Rafael now wants to break free from the darkness of his past life to find a new, decent life with Isabel Londono, a woman he loves passionately. Isabel believes Rafael is a successful businessman and knows nothing of Rafael's dark side, but begins to suspect that he may have one. Their relationship is threatened and pushed into crisis as she presses Rafael to confide in her, but Rafael resists as he knows there are powerful men that would kill her or worse to find him. Jaguar's power is irresistible as he draws the men into the battle of their lives, facing their ultimate match as warriors in each other. From its beginning to the end this hunt is a high tension guessing game for both men as nobody, not even the highly accomplished native seers the men consult, can fathom what Jaguar's ultimate design is. In a bizarre turn of events, Isabel unwittingly does the one thing that radically alters the fate of both men, proving that even in the great warrior Jaguar's world love and its power of redemption are formidable forces to be reckoned with. But even with that, the men's fierce battle will take them on an unforgettable journey into the realm of death. It is only here that Jaguar's final test will take place and his ultimate design will be revealed.
